The background of the cover is a painting depicting an Egyptian scene. In the center, a pharaoh with a green and gold nemes sits on a throne, holding a long staff. To his left, a man in a leopard-print tunic and a blue headband stands, holding a blue and red fan. In the foreground, a large, white, draped object, possibly a shroud or a large bundle, is visible. To the right, another figure in a blue headband is partially visible. The scene is set between several large, yellow, fluted columns.

Let My Nation Go:

Let My Nation Go Yosef Deutsch,1998 Transport yourself back in time and relive the Pesach miracle This dramatic vivid narrative tells the story of the slavery in Egypt and the wondrous Exodus we experienced in a captivating novel like style based on Talmudic and Midrashic sources Here we witness the harsh decrees the miracles of the Ten Plagues the thunderous splitting of the sea and the entire Passover saga Extensively researched and annotated *Let My Nation Begin* Yosef Deutsch,2023-10-27

The Protestant Bible Correctly Translated William Harwood,2017-07-21 There has long been a need for a translation of the Judaeo Christian Bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors beliefs were quite different from those of modern Jews Christians and Muslims For example The LORD is a falsification of the proper name Yahweh a god like Zeus or Jupiter But the most blatant fraud has been the rendering of the Hebrew word allahiym as the male proper name God Allahiym is neither a proper name nor singular nor unisexual Al means a god The suffix ah is a feminine singular inflection so that allah means goddess The suffix iym is a masculine plural inflection making allahiym a dual sex generic plural male and female gods or in the common gender gods This translation corrects such falsifications For extra copies contact www.worldaudience.org
