Sharing Journey Begins Miranda Reeves,2020-11-02 Hiya I m Gina and Andy told me to write our story of how we got into the alternative lifestyle because he likes to talk and fantasize and it really turns us both on We re not full on swingers well not like the couples who go out every weekend to swap partners and stuff like that but we have started going to various clubs and let s just say we like to experiment and play together I suppose I d better tell you a bit about me before I get into all the naughty details I m Gina nearly twenty one quite slim not a stunner but people do tell me I m attractive five feet two with long brown hair smallish boobs and he says sexy long legs a bum to die for I m very reserved and that s the main reason we d never been dogging until recently but I ll get into that later Sample from Chapter 1 Pete showed us around and I couldn t stop giggling cos we had to stare at his naked bum as he walked along in front of us The club was absolutely huge and on several floors with loud techno house music blaring out in 4 different dance floor areas The basement had a mock up dungeon with a play area and later we watched all kinds of weird looking people using the equipment or getting canned tied up or suspended upside down There was even a sex swing hanging from the ceiling where a girl was laying in it and five guys crowded around groping and playing with themselves One guy was actually kneeling between her legs licking and pulling her pussy open for guys to finger as her husband held her hand She was also wanking two guys off standing each side of her and even let one of them cum in her mouth Anyway we had another drink at one of the bars and Pete told us he was going to find a few of his friends and he d see us later or at the car when it all closed around 4 am I was already feeling a bit tipsy and after another drink we decided to wander around and see what else was going on Andy was holding my hand as we pushed through the crowds but the music was so loud and chock full of virtually naked people all dancing like crazy we went back down to the dungeon play area where at least we could talk and walk around easier We watched a really attractive girl getting whipped by a guy who I assumed was her husband cos he kept stroking her bottom after he whipped and fingered her And then there were all these single guys crowding around them watching and playing with their cocks and he let a random

guy standing next to him get down between her legs He was licking and fingering her as the husband walked in front of her caressing her breasts and kissing her God it made me feel so horny and turned on and Andy kept touching my bum as we watched he even fingered me from behind and I nearly wet myself I was so excited A few guys standing next to us tried to touch me but I was too scared and pushed their hands away Then this guy was rubbing his cock on my leg and because of all the people I couldn't move away so just stood there looking ahead and trying to ignore him Then he reached out and held my arm moving my hand down onto his cock At first I pulled away but I was so turned on so when he did it again I let my hand rest on it and he let me feel it It was much bigger than Andy's and I was feeling him up for quite a few minutes Then I felt his hand squeezing mine so I assumed he wanted me to squeeze him harder Then I felt his other hand on my hip and feeling my bum I let him touch me for a bit but then he went down between my legs
