

The image features a detailed, three-dimensional carving of a dragon on a dark, possibly bronze or iron, metal surface. The dragon is depicted in a dynamic, coiled pose, with its head facing right and its body curving upwards. It has a long, slender neck, a small horn, and a flowing mane. Its scales are intricately carved, and its claws are visible. The dragon is surrounded by swirling, cloud-like patterns. The metal plate is set against a vibrant red background, which appears to be a wall or a large panel. The lighting highlights the texture of the metal and the depth of the carving.
