Leaders Of The Reformation:

Leaders of the Reformation Joseph Dubbs,2015-01-02 The Protestant Reformation of the Sixteenth Century was the beginning of a major epoch in human history What began in the hearts and minds of the reformers grew into a movement that not only affected religious life in Europe but that also changed the face of social political and economic institutions as well Like every other great historical movement the Reformation sprang from the obscure sources in the remote past and gathered strength from innumerable tributaries until at last it became a mighty flood whose onward flow was irresistible Dubb s work THE LEADERS OF THE REFORMATION provides a detailed account of the men whose influence contributed to changing the course of history and Western thought *Leaders of the Reformation* Joseph Henry Dubbs,1898 **Leaders**

reprint has been carefully re formatted edited and has footnotes THE REFORMATION of the Sixteenth Century is the principal source of our civil and religious freedom We are living in the era which it inaugurated and are moulded by its influence For this reason it deserves to be studied by all who are interested in the development of the Church and State The author has not ventured to write a history of this eventful period He has however made it the subject of many lectures and of these a series is here presented Though the best authorities have been consulted and freely quoted the general purpose has been popular rather than scholastic Of the work of the most distinguished leaders of the Reformation no more than a brief sketch has been attempted but men of less celebrity have been assigned to the position which is believed to be their due There has been no disposition to exalt some men at the expense of others and that subjects of controversy have not been prominently presented Good book to give one a foundation for Reformation studies **Leaders of the Reformation** J.
