Making the Most of Small Groups Debbie Diller, 2023-10-10 Author Debbie Diller turns her attention to small reading groups and the teacher's role in small group instruction. Making the Most of Small Groups Differentiation for All grapples with difficult questions regarding small group instruction in elementary classrooms such as How do I find the time? How can I be more organized? How do I form groups? How can I differentiate to meet the needs of all of my students? Structured around the five essential reading elements: comprehension, fluency, phonemic awareness, phonics, and vocabulary, the book provides practical tips, sample lessons, lesson plans, and templates, suggestions for related literacy work stations, and connections to whole group instruction. In addition to ideas to use immediately in the classroom, Diller provides an overview of relevant research and reflection questions for professional conversations. *Words on Cassette*, 2002 R R Bowker Publishing, 2002

If Gwen doesn't accept her magic, she just may lose it forever. Now that Jack Darrow's ship has been retrieved from The Veil, he and Gwenyth Hutchinson are on their way to retrieve a long lost Consort and finally free Jack from his obligation to the deadly Keeper of Shadows. In order to do that, they need to find a map that will lead them to her, if only they knew where to start. For now, they're content to scour taverns for any information and possibly put together a crew that may be able to help them on their quest. Until one vicious fight causes Gwen to leave the tavern and Jack to seek a distraction elsewhere. While cursing Jack, she stumbles upon a woman who needs help, and without thinking, she uses her magic to save the woman. Unbeknownst to Gwen, this draws the wrong sort of attention; she's arrested by none other than The Order, and Ambyr Hamilton herself. And what Ambyr has in store for Gwenyth will be nothing short of agony. If Gwen has any hope of surviving, she must accept the magic within her before it's too late, and Ambyr snuffs it out forever.
