

Dear Daughters,

It has been my job to protect you and be your role model; to show you that hard work pays off and that you can be anything you want to be. I have tried to be an example of how a lady should look and behave, and I have certainly taught you that keeping a clean house, knowing how to cook and do laundry, and caring for your spouse does not make you inferior. But now, my dear daughters, I am being shoved out of the way. A new influence has taken over, one that I can't fight on my own.

You see, when I was a little girl, television was filled with shows that were funny, family friendly and positive. AND THEY SPOKE ENGLISH. (I know, hard to believe.) There were no women acting like fools, fighting each other and jumping over tables. There were no half naked, booty popping chicks on my screen, and certainly no women who allowed men to treat them badly. My examples were the teachers who gave me extra time after school because I had fallen behind in my math class, and the neighborhood families who would tell on me in a heartbeat if I was acting out of pocket, and my mom who worked two full time jobs to take care of me and make sure we had what we needed.

There was no Internet to fill my mind with garbage and distaste, pressing upon me glamorized ideas that, If you are woman, just take your clothes off because that is the fastest way to make money. Or post your surgically enhanced lady bits on Facebook and act as if getting the cover of King Magazine is the highlight of your career. Or that getting drunk is cute and funny...it's NOT. You see, as much as I have tried to shield you and teach you, the abundance of ignorance is like a tsunami, and I am helpless against it. So, I need your help. I need you to remember all the things I have taught you so that when you are bombarded with the images of this world, you can remind yourself that having class and self respect will take you further in life than any "Ratchetness" ever can.

Remember that you don't need anyone to define you! you don't need to accept anything that does not meet your standards and yes you must have standards and please always remember that your body is a temple and should be treated with honor and respect. Remember that if a man is not willing to wait for you, care for you, and stand up for you, then he doesn't deserve you. And when your young adult minds start to lapse because you want to be part of 'the group', and be accepted by your friends, remember that I raised you to be a leader not a follower.

Letter Sorority Initiation Daughter:

But It's Your Family . . . Sherrie Campbell, 2019-01-01 A psychologist offers a roadmap for those looking to break free of toxic family relationships and thrive in the aftermath Toxic family abuse is always two fold The first layer of abuse is the original poor treatment by toxic family members and the second is someone's denial of the ways in which abusers treat and harm them Loving someone doesn't always mean having a relationship with them just like forgiveness doesn't always mean reconciliation A significant part of healing comes with accepting that there are some relationships that are so poisonous that they destroy one's ability to be healthy and function best But It's Your Family is a remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath Inside Dr Sherrie Campbell clarifies How parents adult children siblings grandparents and in laws can be toxic The difference between flawed and toxic family members Explaining the cutting of ties to children and others who may not understand Spiritual and religious views on forgiveness The definition of cutting ties and what No Contact actually means When readers are able to bring closure to those toxic relationships they give themselves the space to love those family members from a distance as fellow human beings with the knowledge that it is unwise to remain connected Readers learn how to love themselves in the process and fundamentally change their lives for the better A

 When Ozzie Nelson died in 1975 he was no longer a household name For a guy who had created the longest running TV
 sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it s baffling that
 Nelson has faded so far from American media memory Larger than life offscreen an attorney college football star cartoonist
 songwriter major band leader Ozzie created a smaller than life TV persona the bumbling average Dad who became known to
 the rock generation which included his teen idol son Rick Nelson as the essence of blandness But America also saw Ozzie as
 their iconic Dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the
 father who tried his best This book is the only full length biography of Ozzie Nelson since he published his memoirs in 1973 It
 treats the big band and early TV icon with affection and hints that American pop culture may owe more to Ozzie than is
 generally acknowledged **The Alphi Phi Quarterly** ,1922 *The Trident of Delta Delta Delta Delta Delta*,1921
