## **John F Kennedy:**

**John F. Kennedy** Michael O'Brien, 2005-03 John F Kennedy creates an absorbing insightful and distinguished biography of one of America's most legendary Presidents While current fashion in Kennedy scholarship is to deride the man's achievements this book describes Kennedy's strengths explains his shortcomings and offers many new revelations There are many specialized books on Kennedy's career but no first class modern biography one that takes advantage of the huge volume of recent books and articles and new material released by the JFK library Ten years in the making this is a balanced and judicious profile that goes beyond the clash of interpretations and offers a fresh nuanced perspective Who Was John F. Kennedy? Yona Zeldis McDonough, Who HQ, 2004-12-29 The man who saved the lives of his PT 109 crewmen during WWII and became the 35th president fought and won his first battle at the age of two and a half when he was stricken with scarlet fever Although his presidency was cut short our nation's youngest elected leader left an indelible mark on the American consciousness and now is profiled in our Who Was series Included are 100 black and white illustrations as well as a timeline that guides readers through this eventful period in history *John F. Kennedy* Hourly History, 2017-04-05 John F Kennedy is the president that everyone knows He was a rich man's son an athlete a war hero a ladies man an author a president his face rendered forever young because the last time Americans saw him he was riding in a convertible in Dallas his glamorous wife at his side Then the bullets struck and the assassinated president became a legend the truth of his life obscured by his tragic and untimely death But JFK had more depth to his character than the magazine covers indicated Inside you will read about No Irish Need Apply War and the Kennedys Kennedy in Congress Kennedy for President Kennedy Women The Presidency And much more The rich man's son was the grandson of Irishmen who knew what it was to be denied jobs because Irish weren't welcome in Boston The athlete suffered from poor health all his life from a bad back to Addison's disease The war hero whose PT 109 boat became part of his campaign legend was the son who survived elder brother Joe flying on a secret mission was killed for his heroism The ladies man loved his wife but fidelity was not a concept revered by the Kennedy men The Pulitzer Prize that he was awarded for Profiles in Courage should have gone to the person who actually wrote it In 1963 death in Dallas ended his first term as president bringing an end to the optimism that he inaugurated when he narrowly defeated Vice President Richard Nixon in the 1960 election But the Kennedy legend like Camelot lives forever **The Presidency of John F. Kennedy** James N. Giglio, 2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot's fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio's bestselling study widely acclaimed as the best and most balanced book on JFK's White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy's youth and vigor He stresses the extent to which domestic and foreign

policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK's prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK's sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy's watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library *The Presidency of John F Kennedy* remains the definitive appraisal of Camelot's kingdom

**John F. Kennedy on Leadership** John A.
