production functions and demonstrates that the profit share in revenue is a robust non parametric economic diagnostic for estimates of returns to scale      **Oil, Paint and Drug Reporter and New York Druggists' Price Current** ,1950-04 Vols include the proceedings some summarized some official stenographic reports of the National Wholesale Druggists Association called 18 1882 Western Wholesale Druggists Association and of other similar organizations      School Education ,1914      **The American Bookseller** ,1888      *Catalog of Copyright Entries, Fourth Series* Library of Congress.
