Legal Framework For The Admission Of Fdi:

Legal Framework for the Admission of FDI Thomas Pollan, 2006 The law on foreign direct investment FDI belongs to the fastest changing legal field in international law Investors and the host state have long left behind a relationship dominated by the host state's desire to screen and choose FDI In the current market for FDI both parties try to assert influence but in the end the scarcity of FDI is the decisive factor This book provides an in depth study of the legal framework for the admission of FDI and presents insights into the pros and cons of various admission models Its goal is to identify legal and policy options that serve the host state's and investor's common needs The book is a comprehensive easy reference handbook that is of interest to lawyers academics and policy makers

International Legal Materials, 2007 *Shaping the Single European Market in the Field of Foreign Direct Investment* Philip Strik, 2014-12-01 The Treaty of Lisbon 2009 has brought foreign direct investment FDI within the scope of the European Union's common commercial policy CCP In light of this development this book analyses the internal and external dimension of EU law and policy in the field of FDI It takes four perspectives i the operation of the internal market mechanism to direct investment ii the implications of the Lisbon amendments to the CCP under Article 207 TFEU for the Union's competence and practice in the field of FDI iii the interaction between EU law and Member States bilateral investment treaties BITs with third countries iv the interplay between EU law and BITs that are currently in force between two Member States intra EU BITs The book focuses on the extent to which the European Union operates as a Single Market for EU and non EU investors In doing so it analyses the EU and international regulatory framework on the admission treatment and protection of FDI within to and from the Single European Market It uses close jurisprudential analysis and examines the context purpose and evolution of EU legal integration in the field of FDI It thereby traces the principles underlying the European international economic order in the field of FDI

Law and Practice of Investment Treaties Andrew Paul Newcombe, Lluís Paradell, 2009-01-01 The book focuses on the substantive protections accorded to investors and investments and on the variations among jurisdictions Among the many specific issues and topics that arise in the course of the discussion are the following problems of transparency and conflict of interest the recent growth in IIAs between and among developing nations the effect of new model bilateral investment treaties BITs the ability of non disputing parties to participate in investor state arbitration theories of the interaction of foreign direct investment FDI and BITs investor state arbitration as an evasion of public regulatory authority the role of investment funds in international investment fork in the road provisions and institutional versus ad hoc arbitration International business and other investors will greatly appreciate the in depth information and insightful guidance in this solidly useful book It will also be welcomed by jurists and students as a significant milestone in the development of principles in a quickly growing field of practice that is still plagued with inconsistencies

Lex Petrolea and International Investment Law Nima Mersadi Tabari, 2016-09-01 *Lex Petrolea and International Investment Law* Law and Practice in the Persian Gulf offers readers a detailed analysis of

jurisprudence on the settlement of upstream petroleum disputes between host states in the Persian Gulf and foreign investors Dr Nima Mersadi Tabari considers the historical political and socio economic roots of the existing frameworks and levels of protection offered to foreign investors With particular focus on petroleum related disputes he initially delivers a comprehensive survey of the jurisprudence of international investment law and investment treaty arbitration Following on from this in three dedicated chapters the author provides in depth analysis of the legal regimes governing the matter in the major producers of the region Saudi Arabia Iraq and Iran A key resource for all professionals working on legal issues arising from foreign direct investments in natural resources this book draws a detailed picture of the legal regime governing the upstream sector in the most important geographical region for the international oil and gas sector Regulation of Foreign Investment Zdenek Drabek, Petros C. Mavroidis, 2013 Introduction Zdenek Drabek and Petros C Mavroidis 1 Regulation of investment in the trade regime from ITO to WTO Petros C Mavroidis 2 Domestic regional and multilateral investment liberalization Jorge A Huerta Goldman 3 Mode 3 of the GATS a model for disciplining measures affecting investment flows Bart De Meester and Dominic Coppens 4 Labor standards and human rights implications for international trade and investment Drusilla K Brown Alan V Deardorff and Robert M Stern 5 Interactions between subsidies regulation and foreign investment and the primacy of the international trade regime Tomer Broude 6 Environmental protection Daniel M Firger and Michael B Gerrard 7 Technology transfer regulatory Issues and international investment agreements Keith E Maskus 8 Sovereign wealth funds and political risk new challenges in the regulation of foreign investment Victoria Barbary and Bernardo Bortolotti 9 International tribunals as agents of harmonization Moshe Hirsch 10 Foreign acquisitions and national security what are genuine threats What are implausible worries Theodore H Moran 11 Public services investment liberalization and protection Federico Ortino 12 The EU approach to investment Americo Beviglia Zampetti and Colin Brown 13 Harmonization of rules on foreign investment Zdenek Drabek *EU Foreign Investment Law* Angelos Dimopoulos, 2011-12-08 The regulation of foreign investment represents one of the most topical and controversial subjects in European Union law and international investment law EU foreign investment law is emerging as a critically important issue particularly since the introduction of EU competence over foreign direct investment after the Lisbon Treaty and the recent successful challenge of the compatibility of Member States Bilateral Investment Treaties with EU law Within this framework the book sets out to identify whether and to what extent the EU has become an international actor in the field of foreign investment Exploring the existing legal framework on the scope and exercise of EU competence and its legal effects it examines the foundations upon which EU investment policy is based and will be based in the future The book addresses questions relating to the definition of foreign investment the scope of EU competences the exercise of EU powers the substantive content of existing and future EU International Investment Agreements and the objectives of EU investment policy and its EU law effects From this grounding the study widens to scrutinize the influence that the EU exerts on

international law and regulation of foreign investment

Paying careful attention to the substantive content and orientation of EU International Investment Agreements the book takes a comparative approach to the content of Bilateral Investment Treaties as well as to the ramifications of EU foreign investment regulation for international law especially with regard to the EU's international responsibility Taking into account the recent developments in the field this book provides the first comprehensive treatment of the legal practical and political concerns that the creation of an EU common investment policy creates

Yearbook on International Investment Law & Policy 2008-2009 Karl P Sauvant, 2009-07-02 Today international investment law consists of a network of multifaceted multilayered international treaties that in one way or another involve virtually every country of the world The evolution of this network continues raising a host of issues regarding international investment law and policy especially in the area of international investment disputes This Yearbook monitors current developments in international investment law and policy focusing in Part One on trends in foreign direct investment FDI international investment agreements and investment disputes with a special look at developments in the oil and gas sector Part Two then looks at central issues in the contemporary discussions on international investment law and policy With contributions by leading experts in the field this title provides timely authoritative information on FDI that can be used by a wide audience including practitioners academics researchers and policy makers
