commercial and critical success with readers demanding to know more about the characters Alcott quickly completed a second volume entitled *Good Wives in the United Kingdom* although this name originated from the publisher and not from Alcott. It was also successful. The two volumes were issued in 1880 as a single novel entitled *Little Women*. Alcott wrote two sequels to her popular work both of which also featured the March sisters: *Little Men* 1871 and *Jo's Boys* 1886. Although *Little Women* was a novel for girls it differed notably from the current writings for children especially girls. The novel addressed three major themes: domesticity, work, and true love, all of them interdependent and each necessary to the achievement of its heroine's individual identity. *Little Women* has been read as a romance or as a quest or both. It has been read as a family drama that validates virtue over wealth but also as a means of escaping that life by women who knew its gender constraints only too well. According to Sarah Elbert, Alcott created a new form of literature, one that took elements from Romantic children's fiction and combined it with others from sentimental novels, resulting in a totally new format. Elbert argued that within *Little Women* can be found the first vision of the All American girl and that her multiple aspects are embodied in the differing March sisters. The book has frequently been adapted for stage and screen.

Alcott prefaces *Little Women* with an excerpt from John Bunyan's seventeenth century work *The Pilgrim's Progress*, an allegorical novel about leading a Christian life. Alcott's story begins with the four March girls, Meg, Jo, Beth, and Amy, sitting in their living room lamenting their poverty. The girls decide that they will each buy themselves a present in order to brighten their Christmas. Soon, however, they change their minds and decide that instead of buying presents for themselves they will buy presents for their mother, Marmee. The letter inspires the girls to bear their burdens more cheerfully and not to complain about their poverty.
