Arthur J. Magida, Stuart M. Matlins

Liturgical Calendar 20united Church Of Christ:

Calendar Dr. Laurence Hull Stookey, 2011-12-01 A probing but clearly written book Calendar will find an appreciative audience beyond academia and clergy to the laity of the church choirs and their directors worship planners adult study groups and others who want to understand better the church's times of preparation and celebration Calendar centers largely on theological meaning and parish practice in relation to liturgical time Deliberately almost no attention is given to detailed historical development much of which is exceedingly complex in its origins and technical in its detail An appendix entitled Forgetting What You Were Always Taught Or This Book in a Nutshell aptly describes the radical reordering that Stookey believes occurs when our understanding of time and the story of Jesus takes its bearings from the Incarnation So just as the Christian week begins with Sunday the day of Resurrection Stookey follows the Christian year beginning with the season of Easter and only then Lent Christmas then Advent Illuminating discussions of Ordinary and Extraordinary Time and the Sanctoral Cycle follow How to be a Perfect Stranger Arthur J. Magida, Stuart M. Matlins, 1999 We North Americans live in a remarkably diverse society and it's increasingly common to be invited to a wedding funeral or other religious service of a friend relative or coworker whose faith is different from our own Originally published by Jewish Lights Publishing this easy to use guidebook helps the well meaning guest feel comfortable participate to the fullest extent possible and avoid violating anyone's religious principles Newly revised North American edition now includes Canadian statistics and information
