## HOW TO STUDY:

1. Regents Prep: Check the Regents Tutoring Schedule for tutoring times and the google classroom code.
2. Review Booklet: This booklet goes over each concept covered on the Regents exam. Go through the material, annotate important terms and concepts. Then at the end of each section, test what you have learned on the practice questions at the end. Bring to me to grade each section.
3. Flash Cards: Make flash cards of important vocabulary and concepts, and practice going through the flash cards over and over until you can get them all correct.
4. Graphing: Make sure you know how to graph a set of data. There is ALWAYS a graph on every Regents exam and they are worth 4 points!!
5. Practice, Practice, Practice: Continue taking practice tests. The Regents uses similar types of questions every year. Practicing taking the exam will get you familiar with the questions and how to answer them.
