Memoirs Of A Firefighterparamedic English Edition:

Memoirs of a Firefighter/Paramedic Bruce Zamelsky,2008 This book has more than twenty years of real life incidents and was written for two reasons I want those who are just starting in this profession and also those who have many years experience both paid and volunteers to understand the roller coaster of emotions they will experience The other reason for writing this book is to try to explain to the general public what emergency responders go through and the many different emotions we experience We are not robots we are just like you We are your neighbors your teachers and your friends Every one of us has dedicated a tremendous amount of time and energy in preparing to be there in your time of need It is our privilege and we love to do it Everything I talk about in the book is real there are no fabricated stories or sensationalizing to make the incidents sound more dramatic They are written truthfully as they happened and the emotions are genuine I hope this book sheds some light on the courageous and extraordinary people that work and volunteer in these professions and the challenges they face *LAFD FF/PM: Memoirs of an Outside Dog* E. Hengst,2011-03-01 Non Fiction My life on the Los Angeles Fire Department as a firefighter paramedic and currently a captain It is not as glamorous as you might think At times it can be very insane and surreal and yet when the bell goes off we go out the door to fix a strangers problem Unfortunately sometimes we don t come back It takes a special breed to answer this calling Enjoy the ride Mama told me not to come Professional Memoirs, Corps of Engineers, United States Army and Engineer Department at Large ,2000

Medic 16, Medic 16 Mark Praschak,2009-03 As a junior volunteer Mark Praschak dreamed and as a teenage Firefighter EMT he learned about life and death first hand The challenges the author faced made him yearn for more skills and knowledge as he matured in the profession and in life After losing his way for six years Mark reentered the Service with a vengeance He catapulted to the rank of Firefighter Paramedic and started his professional career with the Baltimore City Fire Department In the short time he spent at Medic 16 head see things that were unimaginable call after call He brought life into the world for the first time but saw more lives lost The job became a daily battle with the demon of the Service aburn out a He witnessed its evil and struggled to deal with its delicate balance Mark turns to his mentors in a desperate attempt to survive Their wisdom and experience show him the way He was programmed like a machine to carry on The challenges were many and the rewards few but he won the battle retiring from the Anne Arundel County Fire Department as a decorated veteran at the age of 48 All of the stories here are true Some are uplifting and some are hilarious but most of them are sobering and teach us that life is fragile handle with care **Paramedic Career_ A Memoir Of 26 Years As A Paramedic** Barbie Mozalak,2020-12-21 This book has more than twenty years of real life incidents and was written for two reasons I want those who are just starting in this profession and also those who have many years experience both paid and volunteers to understand the roller coaster of emotions they will experience The other reason for writing this book is to try to explain to the general public what emergency responders go through and the many different emotions we experience We are not robots

Saved by Seconds Craig Prusansky, 2025-08-03 Life as a first responder is unpredictable filled with moments of courage heartbreak and unexpected humor In this memoir Craig Prusansky shares stories from a career that has taken him from dispatch centers to the front lines From quiet nights in dispatch to life or death decisions on the front lines these stories reveal the true challenges and rewards of serving a community in crisis They offer an honest look at the people behind the uniforms their struggles their dedication and the bonds that carry them through Whether you're curious about what happens when the sirens sound or seeking stories of resilience and humanity this collection invites you behind the scenes where every call changes lives including those who answer them

"On Call" Allen B. Locklier Jr., 2010-09-09 I'm a firm believer that to write about the truth sometimes you have to write outside the box When you follow all the rules in writing and do the same thing that everyone else does sometimes the real truth takes a slight turn toward the not so realistic but more toward the right way to author a book Since my book is about actual calls that I responded to as they occurred and so as to keep them as factual as possible I do use some of the actual language graphic and raw as it was in trying to describe the scene as I remember I do not wish to offend anyone but I feel that to do anything else would be an injustice to my readers I want realism in my accounts of the calls depicted here in as a first responder Won't you come along and see

The Flame Within Wayne Mutza, 2013-04-06 A former City of Milwaukee firefighter the author writes his memoir with candor depth spice and emotional insight He lays out the tumultuous events that led him as a youth into the profession and the wealth of eye opening experiences along the way He plumbs the character of the firefighters and paramedics who answer the call for rescue but also the character of those who make the call the rescuer and the rescued The author keeps the reader close with vivid details of fighting fire and dealing with the anguish of loss and destruction He pulls no punches he also describes the promotion process the politics in stations and in the service as a whole the struggle of teaching young firefighters and the heavy price of dedication The book fully displays the humanity of members of the fire service and the flavor of fire service tradition

[Ashes Ashes We All Fall Down](#) David Westbrook, 2022-01-09 After twenty six years in public safety David Westbrook was at the top of his game Married with four children a former police officer paramedic firefighter and Lieutenant for the Baltimore County Fire Department he was living the dream What he didn't know was that after years of repeated exposure to trauma such as children dying in his arms an entire family being burned to death in a house fire a police officer suicide and even a line of duty death within his own department his dream would soon become a nightmare Left untreated

David's undiagnosed PTSD began to change him as his life began to spiral out of control. It wasn't until after hitting rock bottom he realized he had a problem. The silent beast living inside him had stolen his happiness, confidence, and his will to live. Lost, lonely, and a broken shell of a man, David began to pick up the pieces and put his life back together. All of his self-destruction could have been avoided had he simply admitted there was a problem and not been afraid to ask for help. His pride, along with the stigma associated with seeking mental health treatment within the fire service, prevented him from asking for the help he so desperately needed, which nearly cost him his life. In this MUST READ memoir, David gives a firsthand account of the damages that remaining silent caused him and his family to endure. Intertwined with real-life comedic experiences from his time on the job, it is sure to have you laughing as you learn a thing or two about mental health among firefighters and paramedics and the trauma they face from day to day. It's time to erase the stigma. Jet Pan's Memoir Doris Bourgeois-Darling, 2018-10-11 Doris Bourgeois-Darling, nee Dorice Leger, was born in Moncton, New Brunswick, Canada, and raised by her father and her grandparents in a small village named Saint Marcel. She immigrated to the United States in the early sixties as a young adult where she became an American citizen and raised her own family. After her retirement from her nursing career, this great grandmother decided to write about her life's experiences for her family's enjoyment. Will there be any deep, dark secrets revealed or scandalous activities detected in this simple account of Jetpan's life story? YOU BE THE JUDGE

Working Fire Zac Unger, 2004 The author chronicles his journey from Ivy League graduate to dedicated firefighter and paramedic, discussing his training, the moments of triumph and tragedy, the harrowing and hilarious calls, and his passion for his work. Library Journal

Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 2005 Includes beginning Sept 15, 1954, and on the 15th of each month Sept-May a special section. School library journal ISSN 0000-0035 called Junior Libraries, 1954-May 1961. Also issued separately. Tragedy to Triumph: a Memoir April Faith Larrinaga, 2011-08-10 The story of Tragedy to Triumph is especially dedicated to my brothers and sisters who suffered years of torment at the hands of a maniacal self-proclaimed preacher who ultimately hurt his family beyond imagination. Our father evaded the law for several years, abandoning his eldest daughter in another state to live a life alone while holding the rest of the family captive. Four adults at the end of the journey were directly responsible for the atrocities that befell the children. Inside the home, the children cried; innocence was lost, and hearts were broken. This story also provides an insight into survival of the human spirit and rising above all indifference, sharing the power of faith and miracles that happened in the midst of chaos. One person can change the future for their family and ultimately stop the cycle of abuse. This book was solely written in the hopes of saving lives. Library Journal, 2005
