Memoirs Of A Genius:

A Heartbreaking Work Of Staggering Genius Dave Eggers, 2013-02-12 Pulitzer Prize Finalist From the bestselling author of *The Circle* and *The Eyes and the Impossible* comes the profoundly moving occasionally angry and often hilarious *The New York Times* Book Review memoir chronicling Dave Eggers's life after losing both of his parents within a span of five weeks. When twenty one year old Dave Eggers loses both of his parents within weeks of each other he suddenly becomes the primary caregiver to his eight year old brother Toph. What follows is a wild imaginative and brutally honest account of growing up too soon. Brimming with unconventional humor poignant reflection and unique narrative flair *A Heartbreaking Work of Staggering Genius* is more than just a memoir. Eggers manages to turn his story of grief into a fearless exploration of what it means to survive to hold a family together and tell your story on your own terms.

Memoirs of a Genius Kendall Jackson, 2014-11-28 *Memoirs of a genius* is a book of poetry and original quotes specializing in the stream of consciousness format and includes haiku tanka as well as extended haiku a brand new prose created by the author. Because the subject matter of the poems vary from love and nature to inspiration and abstract *Memoirs of a Genius* guarantees a verse that is relatable to each individual as well as society in a holistic manner.

A Heartbreaking Work of Staggering Genius Dave Eggers, 2014-12-15 *Heartbreaking* Certainly Staggering Yes I'd say so. And if genius is capturing the universal in a fresh and memorable way call it that too. Anthony Quinn *Sunday Times* Is this how all orphans would speak I am at once pitiful and monstrous I know if they had Dave Eggers's prodigious linguistic gifts. For he does write wonderfully and this is an extremely impressive debut. John Banville *Irish Times* A virtuosic piece of writing a big daring manic depressive stew of a book that noisily announces the debut of a talented yes staggeringly talented new writer. Michiko Kakutani *New York Times* Exhilarating Profoundly moving occasionally angry and often hilarious *A Heartbreaking Work of Staggering Genius* is finally a finite book of jest which is why it succeeds so brilliantly. *New York Times* Book Review What is really shocking and exciting is the book's sheer rage. *AHWOSG* is truly ferocious like any work of genius. Eggers self reliant transcendent expansive is Emerson's ideal Young American. The book does itself justice it is a settling of accounts. And it is almost too good to be believed. *London Review of Books* A hilarious book. In it literary gamesmanship and self consciousness are trained on life's most unendurable experience used to examine a memory too scorching to stare at as one views an eclipse by projecting sunlight onto paper through a pinhole. Time Eggers evokes the terrible beauty of youth like a young Bob Dylan frothing with furious anger. He takes us close shows us as much as he can bear. His book is a comic and moving witness that transcends and transgresses formal boundaries. *Washington Post*
