Memorandum Geography Paper2 Grade12 November2013:

Muslim Fashion Reina Lewis,2015-10-15 In the shops of London s Oxford Street girls wear patterned scarves over their hair as they cluster around makeup counters Alongside them hip twenty somethings style their head wraps in high black topknots to match their black boot cut trousers Participating in the world of popular mainstream fashion often thought to be the domain of the West these young Muslim women are part of an emergent cross faith transnational youth subculture of modest fashion In treating hijab and other forms of modest clothing as fashion Reina Lewis counters the overuse of images of veiled women as evidence in the prevalent suggestion that Muslims and Islam are incompatible with Western modernity Muslim Fashion contextualizes modest wardrobe styling within Islamic and global consumer cultures interviewing key players including designers bloggers shoppers store clerks and shop owners Focusing on Britain North America and Turkey Lewis provides insights into the ways young Muslim women use multiple fashion systems to negotiate religion identity and ethnicity

America's Moment Rework America,2015-06-15 It is time for a new conversation Amid the biggest economic transformation in a century the challenge of our time is to make sure that all Americans benefit from the wave of digital revolutions around the world that have permeated and upended modern life Yet today s economic arguments seem stuck We need a new vision of a hopeful future and a new action agenda So many Americans are uncertain about the future How can there be so many paths to opportunity with so few people traveling them As a nation we have to understand what is required to help Americans succeed now and how to prepare our country for what comes next We have been here before A hundred years ago America experienced the greatest economic transformation and technological revolution in its history The transformation of the past twenty years as the world has moved through the information era into the digital age has turned our life and work upside down once again It is a time of tremendous change but also of tremendous possibility Rework America is a group of American leaders who know from experience the challenges we face and the potential solutions In America s Moment they suggest a practical agenda for an exciting future It is illustrated by people who are already showing the way and includes actions Americans can take today in their own communities preparing people to succeed using the reach of the Internet and data to innovate jobs and to reach new markets all over the world using technology to match employers and workers and transitioning to a no collar working world neither blue collar nor white collar Set against the history of how Americans succeeded once before in remaking their country America s Moment is about the future It describes how the same forces of change technology and a networked world can become tools that can open opportunity to everyone

A Global Idea Mayssoun Sukarieh,2023-08-15 A Global Idea outlines how youth as shown by the Arab Spring uprisings and subsequent state responses became a prominent social and political category during the first two decades of the twenty first century in the Middle East Drawing on ethnographic fieldwork interview data and textual analysis Mayssoun Sukarieh explains that the spread of youth as an important category is linked to the operation of a global youth development

complex a diverse transnational network of state private sector civil society and international development aid organizations that worked through key urban areas such as Washington DC Amman and Dubai In its analysis of the arrival extension and embedding of the youth development complex in the Middle East during this period A Global Idea addresses a broader question that is of global and not just regional concern How are certain ideas that are central to the working and reproduction of global capitalism able to travel the world so that they are found virtually everywhere **Congressional Record** United States. Congress,2017-10-24 The Films of Delmer Daves Douglas Horlock,2022-03-25 Delmer Daves 1904-1977 was an American screenwriter director and producer known for his dramas and Western adventures most notably Broken Arrow and 3 10 to Yuma Despite the popularity of his films there has been little serious examination of Daves s work Filmmaker Bertrand Tavernier has called Daves the most forgotten of American directors and to date no scholarly monograph has focused on his work In The Films of Delmer Daves Visions of Progress in Mid Twentieth Century America author Douglas Horlock contends that the director s work warrants sustained scholarly attention Examining all of Daves s films as well as his screenplays scripts that were not filmed and personal papers Horlock argues that Daves was a serious distinctive and enlightened filmmaker whose work confronts the general conservatism of Hollywood in the mid twentieth century Horlock considers Daves s films through the lenses of political and social values race and civil rights and gender and sexuality Ultimately Horlock suggests that Daves s work through its examination of bigotry and irrational fear and depiction of institutional and personal morality and freedom presents a consistent innovative and progressive vision of America
