Paradoxes of Neoliberalism

Elizabeth Bernstein,Janet R Jakobsen,2021-12-24 From the rise of far

right regimes to the tumult of the COVID 19 pandemic recent years have brought global upheaval as well as the

sedimentation of longstanding social inequalities Analyzing the complexities of the current political moment in different

geographic regions this book addresses the paradoxical persistence of neoliberal policies and practices in order to ground

the pursuit of a more just world Engaging theories of decoloniality racial capitalism queer materialism and social

reproduction this book demonstrates the centrality of sexual politics to neoliberalism including both social relations and

statecraft Drawing on ethnographic case studies the authors show that gender and sexuality may be the site for policies like

those pertaining to sex trafficking which bundle together economics and changes to the structure of the state In other

instances sexual politics are crucial components of policies on issues ranging from the growth of financial services to

migration Tracing the role of sexual politics across different localities and through different political domains this book

delineates the paradoxical assemblage that makes up contemporary neoliberal hegemony In addition to exploring

contemporary social relations of neoliberal governance exploitation domination and exclusion the authors also consider

gender and sexuality as forces that have shaped myriad forms of community based activism and resistance including local

efforts to pursue new forms of social change By tracing neoliberal paradoxes across global sites the book delineates the

multiple dimensions of economic and cultural restructuring that have characterized neoliberal regimes and emergent activist

responses to them This innovative analysis of the relationship between gender justice and political economy will appeal to

interdisciplinary scholars in social and cultural studies legal and political theorists and the wide range of readers who are

concerned with contemporary questions of social justice
