Memorandum Of Grade 1about Rhino Poaching:

Bell & Howell's Newspaper Index to the Detroit News ,1986 **Transdex Index** ,1994 An index to translations
issued by the United States Joint Publications Research Service JPRS Douwline Grace Borgeson,2012 There are two kinds
of stories in the world those that have sad endings and those that have happy endings Douwline s story began with great
sadness when she lost her mother to poachers but it has a happy ending From the time Douwline was rescued loving people
and even animals have stepped forward to care for her In Africa where Douwline lives there were once over 100 000 of these
smart magnificent animals Now there are less than 20 000 on the entire continent and one is poached every day in the
Kruger Park alone Rhino are killed illegally for their horn because people believe it has power in traditional medicine and
rituals The cost for an ounce of horn can be as high as five times the price of gold Until people everywhere understand the
plight of the rhino each rhino is in danger Douwline s journey to safety takes her to the Hoedspruit Endangered Species
Centre in South Africa where in addition to the dedicated staff a lamb cares for her When she is old enough to live on her
own in the wild she moves to the farm of Annales and Johan But Douwline has spent so much time with loving humans that
she acts more like an enormous house pet than a wild animal This tender story shows how each animal and human who has
been part of her life has helped her first to survive then to thrive and at last to live among her own kind as she was born to do
It highlights the bonds between people and animals and reminds us of the importance of being good stewards of the animals
who share the planet with us Romeo the Rhino Liza Sutcliffe,Olivia Sutcliffe,Georgie Sutcliffe,1991
