Memory Of Flames The Napoleonic Murders:

Napoleon's Paris David Buttery, 2021-10-01 A specialist in Napoleonic history reveals the legendary leader's influence on the City of Light in this illustrated visitor's guide. Historian David Buttery explores the many connections between Napoleon and Paris where many remarkable buildings and monuments date from his time in power. Many of the city's most famous sites were built or enhanced on Napoleon's instructions while others are closely associated with him and the First French Empire. Buttery explores the Napoleonic history of the Arc de Triomphe, the Louvre, the Hôpital des Invalides, Musée de l'Armée, Notre-Dame Cathedral, Père Lachaise Cemetery and other fascinating sites. Full of evocative detail and practical information, *Napoleon's Paris* is essential reading for every history buff who visits the French capital. *Clisson and Eugénie* Napoleon Bonaparte, 2025-01-07 Triumphant on the field of battle, Clisson turns his back on worldly success. He falls in love and marries Eugénie, but how long will their love survive? The tragic story of Clisson and Eugénie reveals one of history's great leaders to also be an accomplished writer of fiction. Written in an eloquently Romantic style true to its period, the story offers the reader a fascinating insight into how the young Napoleon viewed love, women and military life. Memory of Flames Armand Cabasson, 2012-08-27 Described as a splendid war epic by Sunday Telegraph, the third of the Napoleonic Murders series sees Cabasson's hero, revolutionary soldier Quentin Margont, infiltrating a royalist conspiracy to save Napoleon's Empire. March 1814: With the armies of Russia and Prussia advancing, Paris is in real danger of falling to occupying forces for the first time in 400 years. But at a moment when all efforts should be directed towards the defence of the city, Joseph Bonaparte is concerned with the murder of a retired colonel and orders Major Margont to conduct a secret investigation into his death. Once again, Armand Cabasson marries his phenomenal knowledge of the Napoleonic period with his psychiatric expertise to create a gripping and totally convincing narrative. Shipwrecks of the Revolutionary & Napoleonic Eras Terence Grocott, 2002 This text covers over 15,000 natural shipping disasters from the years 1793-1815 involving both naval and merchant vessels. In addition, the work includes insights into the life of seamen afloat and the perils of shipping in the Age of Sail. **Catalog of Copyright Entries. New Series** Library of Congress.
