TV Guide, 2006 **TV Guide ... Index**, 1979 **Broadcasting in Korea** Kyu Kim, Won-Yong Kim, Jong-Geun Kang, 1994 **Handbook of Japanese Media and Popular Culture in Transition** Forum Mithani, Griseldis Kirsch, 2025-10-01 The Handbook of Japanese Media and Popular Culture in Transition brings together new research and perspectives on popular media phenomena as well as shining a spotlight on texts that are less well known or studied Organized into five thematic sections the chapters span a diverse range of cultural genres including contemporary film and television postwar cinema advertising popular fiction men's magazines manga and anime karaoke and digital media They address issues critical to contemporary Japanese society the politicization of history authenticity and representation constructions of identity trauma and social disaffection intersectionality and trans nationalism Drawing on methods and approaches from a range of disciplines the chapters make explicit the interconnections between these areas of research and map out possible trajectories for future inquiry As such the handbook will be of value to both novice scholars and seasoned researchers working within and or beyond the Japanese media studies remit [A Handbook for Teaching Korean-speaking Students](#) California. Office of Bilingual Bicultural Education, 1983 A handbook designed to facilitate effective instruction of Korean immigrant students in California has five parts The first gives an overview of the language group outlining their socioeconomic experience in California and the United States reasons for immigrating the Korean educational system and attitudes toward schooling and involvement with the schools The second section describes historical and sociocultural factors concerning the Korean language in both Korea and California including the literacy rate and attitudes attitudes toward certain language skills training in and use of English in Korea and within the Korean community in California community efforts to develop children's language skills and use of Korean in the California Korean community The third section discusses Korean linguistic characteristics such as its history the distribution of dialects phonology grammar morphology characteristics of the writing system and cultural patterns reflected in language use Section 4 recommends instructional and curricular strategies for Korean and English language development concerning cognitive factors in primary and secondary language development readiness skills for formal language instruction transfer of skills and development of additive bilingualism A final section list references readings district Korean enrollments Korean holidays and special events and organizational community and other instructional resources MSE **Focus On: 100 Most Popular Television Series by 20th Century Fox Television** Wikipedia contributors, **Willing's Press Guide**, 1991 A guide to the press of the United Kingdom and to the principal publications of Europe Australia the Far East Gulf States and the U S A [Hegemonic Mimicry](#) Kyung Hyun Kim, 2021-09-13 In Hegemonic Mimicry Kyung Hyun Kim considers the recent global success of Korean popular culture the Korean wave of pop music cinema and television which is also known as hallyu from a transnational and transcultural perspective Using the concept of mimicry to think through hallyu's adaptation of American sensibilities and

genres he shows how the commercialization of Korean popular culture has upended the familiar dynamic of major to minor cultural influence enabling hallyu to become a dominant global cultural phenomenon At the same time its worldwide popularity has rendered its Koreanness opaque Kim argues that Korean cultural subjectivity over the past two decades is one steeped in ethnic rather than national identity Explaining how South Korea leaped over the linguistic and cultural walls surrounding a supposedly minor culture to achieve global ascendance Kim positions K pop Korean cinema and television serials and even electronics as transformative acts of reappropriation that have created a hegemonic global ethnic identity

Korean War Filmography Robert J. Lentz, 2016-05-01 The Korean experience changed the way Americans viewed war The lack of a clear cut victory inspired filmmakers to try to make sense of fighting another country's civil war and risking American lives for an unpopular cause This filmography details more than 90 English language films Each entry includes complete cast and credit listings a plot synopsis evaluation review snippets and notice of video availability This book places each film in its historical context assesses the essential truthfulness of each film and evaluates its entertainment value and discusses how and why Korean War films differ from other Hollywood war genres Four appendices list the films by chronology production company and studio level of historical accuracy and subject and theme Additional appendices list films with incidental references to the Korean War documentaries on the Korean War and South Korean films about the war Photographs a bibliography and an index are included **Benn's Media Directory**, 1992 **Time** Briton Hadden, Henry R. Press Radio and TV Guide Rachel Eddon, 2003 **Cross-Cultural Design** Pei-Luen Patrick Rau, 2023-07-08 This three volume set of CCD 2023 constitutes the refereed proceedings of the 25th International Conference on Cross Cultural Design CCD 2023 held as Part of the 24th International Conference HCI International 2023 which took place in July 2023 in Copenhagen Denmark The total of 1578 papers and 396 posters included in the HCII 2023 proceedings volumes was carefully reviewed and selected from 7472 submissions The papers of CCD 2023 Part III address topics related to cross cultural design in arts and creative industries in cultural heritage in immersive and inclusive learning environments as well as cross cultural health and wellness design **Benn's Media**, 2006 **Truth and Rumors** Bill Brioux, 2007-12-30 When you first heard it you couldn't believe it Jerry Mathers from TV's *Leave It To Beaver* had been killed in Vietnam Then word came that Abe Vigoda the actor who played the curmudgeonly cop Fish on *Barney Miller* was dead and that Mikey who would eat anything as the *Life Cereal* tyke had eaten too many Pop Rocks and exploded Besides exposing us to things we couldn't otherwise believe television can convince us of things that never actually happened But how did these outrageous TV legends get started How did they spread from classrooms to boardrooms across North America and beyond And most important what do these rumors so quickly transformed into facts and common knowledge reveal about our relationship to reality through the medium of television Put in other words what exactly is it that we were doing when we were dealing in these fabulous rumors

are we chasing after surprising truths or simply more incredible entertainment To take one telling example Jerry Mathers was not actually killed in Vietnam but the basic sense of this lie wasn't far removed from the emotions factually expressed in the two page spread of the faces of the dead in Time magazine In the course of this compelling work which is supplemented with interviews with many of the people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well
