

A CLASSIC FLIP THAT BLENDS STYLE AND SIMPLICITY

"I don't need extra gadgetry to stay in touch when I'm out and about. I mostly like to talk, but I want a phone that makes it easy to do a little messaging too—just enough LOLs and OMGs to keep everybody happy, plus a few great snapshots of what I'm doing to spice it up. That's worth like a thousand words, right? And it all should tuck neatly into my palm or pocket because smaller is simpler for me.

I want a phone that makes connecting with my friends easy. LG Envoy™ does just that. It's light and compact for long conversations—via Bluetooth® or one-touch speakerphone. I can quickly text tidbits and attach photos and voice messages for extra flavor. Its BREW® functionality puts games and other apps at my fingertips. There's a WAP browser for when I need to check out something online, and a VGA camera that lets me print images wirelessly to a Bluetooth printer. Want a phone that'll make you flip? Get Envoy.

LG ENVOY

A DESIGN TO FLIP OVER Sometimes beauty just hinges on form and function. Envoy is an open-and-shut case. A Flash interface also adds brown to the inside.

MESSAGE YOUR MESSAGES Add a little flair to your texts with a colorful photo or an "it's me..." voice snippet to your short stories.

THERE'S FUN BREWING As a BREW-capable phone, you can run special apps and games, or manage your graphics and ringtones.

ONLINE ACTION You can use the WAP browser to view the web on your Envoy for info on-the-go.

BLUETOOTH 2.1 + EDR Save up to 20 device pairings* and share contacts and calendar events over the air. Or print photos directly to a Bluetooth printer.

ONE-TOUCH TALKING A one-touch speakerphone lets you quickly carry on a conversation while your hands are doing something else, like playing with the kids or crafting the perfect dinner for two.

*Depends on available memory.
