Life In A Postcard:

Life In A Postcard Rosemary Bailey, 2013-04-29 I wake to the sun striking gold on a stone wall If I lean out of the window I can see Mount Canigou newly iced with snow It is wonderful to live in a building with windows all around to see both sunrise and sunset to be constantly aware of the passage of the sun and moon In 1988 Rosemary Bailey and her husband were travelling in the French Pyrenees when they fell in love with and subsequently bought a ruined medieval monastery surrounded by peach orchards and snow capped peaks Traces of the monks were everywhere in the frescoed 13th century chapel the buried crypt the stone arches of the cloister For the next few years the couple visited Corbiac whenever they could until in 1997 they took the plunge and moved from central London to rural France with their six year old son Entirely reliant on their earnings as freelance writers they put their Apple Macs in the room with the fewest leaks and sent Theo to the village school With vision and determination they have restored the monastery to its former glory testing their relationship and resolve to the limit and finding unexpected inspiration in the place Life in a Postcard is not just Rosemary Bailey s enthralling account of the challenges of life in a small mountain community but also a celebration of the rugged beauty of French Catalonia the pleasures of Catalan cooking and an exploration of an alternative often magical world

They Remember Walt Atkins, 2023-12-22 The last words of our Lord Jesus Christ are the Great Commission The emphasis is on making disciples The means God has given to accomplish that is teaching The church is at its best when it gives priority to ministries that teach There is no greater place for this teaching than Sunday School God has blessed churches that have a strong Sunday School program May more churches give priority to this teaching arm in fulfilling the Great Commission Michael Karns Associate Pastor Beacon Baptist Church Burlington NC My wife and I have seen the value in a well prepared intentional Sunday School program in supplementing our efforts to raise our children in the nurture and admonition of the Lord Bobby LaTour Former Student and Police Captain today **A Postcard Memoir** Lawrence Sutin, 2000 Drawing upon his collection of quirky antique postcards Lawrence Sutin has penned a series of brief but intense reminiscences of his ordinary life In the process he creates an unrepentant wholly unique account about learning to live with a consciousness all his own Ranging from remembered events to inner states to full blown fantasies Sutin is at turns playful and somber rhapsodic and mundane funny and full of pathos Here you ll find tales about science teachers and other horrors of adolescence life in a comedy troupe stepfathering each illustrated with the postcard that triggered Sutin s muse and presented in a mix so enticingly wayward as to prove that at least some of it really happened This is a delightful little book as full of shifts and surprises as the kind of transparent kaleidoscope that reorders what it looks at I sincerely like the man who s constructed himself out of these vignettes his candor and vulnerability balanced by a critical intelligence and wit Best of all he seems wise to himself without cynicism to the curiosity and moodiness of his younger self and the more secure

Banks,2006-02-15 Almost every short ditty confined within this book has arrived to me through my dreaming stages All of the people are simply figments of my dreaming imagination They are indeed fiction yet while dreaming through them they took on an almost non fiction realm Cold sweats and at times racing heart beats were my companions throughout my awakening Some left me with a sense of actually knowing who they were On all occasions I dreamt of them only once then they returned to wherever it was they emanated from What controlled my dreaming I may never understand Only a few times did the dream stop one morning only to continue the following night while I slept It was a kind of a too be continued later type scenario While I began to dream at the exact same spot I left the previous night I became a little confused It was if their story simply was not over until they thought

it was I understand that probably sounds a little psychotic but that's how it came down I virtually had no control over it so I reasoned out nothing and simply dreamt Many stories have a haunting underlying sequence of death I know not why except for that all the people seemed to be coming back from somewhere A sense came to me of a graveyard of which is now their permanent residence None of them argued on my death assumption as they never really talked to me anyway They showed me what they had to say As with all dreams I was merely observing Few life forms within my dreams were angry but many seemed frustrated They would consult among themselves and at times look at me It's very difficult to say they were looking at me for I was in the dream as my own sight It's not hard to imagine seeing through a dream because we've all done it Seeing is what we do in dreams and on rare occasions some people say that they have actually seen themselves I have never seen myself in any dream yet I exist within the dream as merely sight Kind of like life without a mirror to reflect myself upon Anyway other short pages are simply word interpretations and fragments of assumptions I simply picked then dissected words for my own personal amusement However at times other people within my dreams would offer their opinions relative to what I was writing Some of these folks in my dreams didn't stick around that long only a few seconds A hit and run deal best describes them These people would blatantly talk out loud for no apparent reason yet what they said made me discover some writing perspectives I never understood before Most times what was said conveyed nicely onto the page I was writing Again I did not argue with the flow of what we accomplished I have to mention them for without their help I wouldn't have had much to write about A few of the pages are dedicated to soldiers Unfortunately the world still needs required army's Actually the world would do rather nicely without them for it is we who not the world in need of battle Three mentioned stories are about soldiers and unfortunately they are not stories on a female soldier The soldiers are men within the book One came from a very seemingly long dream and two came from partial dreaming I'll let you decide which is which Soldiers and death are long acquaintances that only time can control Actually timing and a soldier's death are one in the same For whatever reason the death undertones arrived on my pages it became written equally as easy I shall never understand death as I feel we never really die anyway We're just simply removed Many other pages reflect upon our human condition We all go through the same feelings or emotions so I figured I would collect some basic categories and dissect the word I feel it broke up the pages as to inflict conclusions yet keep my personal feelings at bay This is by no means a self-help book We as a species have possibly uncountable help books at our disposal Fine by me but little knowledge can be obtained if
