

## Listen and Draw

As I walk towards my new house, I take a look at the breathtaking view before me. This is what beholds my sight. In the middle of the picture there is a big house. The house has a door and two windows. On the roof of the house there is a chimney. This will be my new home for many years to come and I can't wait to decorate it and make it as gorgeous as the view from outside. On the top right hand side of the picture there is a very big sun. Beside the house and under the sun there is a little hill. One of my favorite things about this scene is the big apple tree on top of the hill. On the left hand side of the picture there is a big pond. In that pond one can see a small boat floating around. There is grass around the pond. As I close my eyes, the last things I see are two clouds in the top left hand side of the picture and two birds flying below the two clouds. These are the images that welcome me to my new home.
