About Us

LAC has created the first district public school in the nation specifically designed for children with dyslexia, and other struggling readers. SBLA opened in Fall 2024 with two classes of 2nd and two classes of 3rd graders and we will add 4th grade in Fall 2024. And we will replicate this successful program with two Model Classrooms in Central Brooklyn.

At LAC we believe access to literacy is the most pressing Civil Rights issue in New York City. We partner with schools, families, community-based organizations, and institutions of higher education to bring culturally relevant, structured literacy to the most marginalized students at the intersection of race, income, and disability.
