Story of Sara Crewe Now Being Told for the First Time *A Little Princess Annotated Volume (Children Book) by Frances Burnett* Frances Hodgson Burnett, 2020-04-13 *A Little Princess* is a children's novel by Frances Hodgson Burnett. It is an expanded version of the short story *Sara Crewe or what Happened at Miss Minchin's* which was serialized in *St Nicholas Magazine* from December 1887. According to Burnett, after she composed the 1902 play *A Little Unfair Princess* based on that story, her publisher asked that she expand the story as a novel with the things and people that had been left out before. The novel was published by Charles Scribner's Sons, also publisher of *St Nicholas*, with illustrations by Ethel Franklin Betts and the full title *A Little Princess Being the Whole Story of Sara Crewe Now Being Told for the First Time*. The novella appears to have been inspired in part by Charlotte Brontë's unfinished novel *Emma*, the first two chapters of which were published in *Cornhill Magazine* in 1860, featuring a rich heiress with a mysterious past who is apparently abandoned at a boarding school. The thread of the book is evident in the novella in which Sara Crewe is left at Miss Minchin's, loses her father, is worked as a drudge, and is surprised with the kindness of an Indian gentleman who turns out to be Captain Crewe's friend. However, at just over one third the length of the later book, the novella is much less detailed. Generally, the novel expanded on things in the novella: Captain Crewe's investments are only referred to briefly and generally, and much of the information revealed in conversations in the novel is simply summarized. However, there are details in the novella which were dropped for the novel. While a drudge, Sara is said to have frequented a library in which she read books about women in rough circumstances being rescued by princes and other powerful men. In addition, Mr Carrisford's illness is specified as liver trouble. After writing *Sara Crewe*, Burnett returned to the material in 1902, penning the three-act stage play *A Little Unfair Princess*, which ran in London over the autumn of that year. Around the time it transferred to New York City at the start of 1903, the title was shortened to *A Little Princess*. It was *A Little Princess* in London but *The Little Princess* in New York. Burnett said that after the production of the play on Broadway, her publisher Charles Scribner's Sons asked her to expand the story into a full-length novel and put into it all the things and people that had been left out before. The book was illustrated by Ethel Franklin Betts and published in 1905 under the full title *A Little Princess Being the Whole Story of Sara Crewe Now Being Told for the First Time*.
