Liturgical Calendar Poems:

Liturgical Calendar Kevin Brown, 2014-12-12 Using the structure of the liturgical calendar and the lives of the saints for inspiration Kevin Brown explores not only faith but subjects ranging from love to childhood and from grammar to grace The saints backgrounds serve as metaphors for our lives today as we struggle with our mortality and our morality In these poems Brown is able to laugh at himself and his failings while reminding us of our own He points out where our various approaches to faith make us better people and where we fail to follow what we tell others to do In these poems the miraculous becomes ordinary even as ordinary events and people are imbued with the sacred granting readers hope for themselves and for the world

Ordinary Time Michael D. Riley, 2016-04-08 Liturgy is the golden chore the ineffable becomes as practical as a calendar or a loaf of bread The Son of God becomes the Son of Man and briefly walks among us Love itself incarnate in the life of faith This generous collection in both senses of spirit and breadth uses the liturgical year to explore the many aspects of Christian belief In a wide variety of voices styles and forms Ordinary Time the title is deeply ironic includes themes from the most intimate examinations of conscience to some of the knottiest theological philosophical questions In tones ranging from comic satiric to meditative to ecstatic in characters as diverse as several apostles three different Christmas shepherds Mother Theresa a retired Navy cook and a lapsed Catholic celebrity on a TV talk show these poems cover an extraordinary breadth of faith experience without diminishing the struggles of faith Like Mother Theresa in Darkness absence and doubt have their place they move Incarnate grace deep enough even to meet suffering and death The ritual year that winds from nativity to death to resurrection includes each member of the body of Christ This collection provides one pilgrim experience in memorable detail

Seasons Jim Branch, 2018-08-31 A collection of poems celebrating and reflecting upon the seasons of the liturgical calendar

Tuning My Heart Laurie Ann Kraus, 2008-05-28 Even in a society as highly mobile as our own has become change is unsettling discomfiting Like our ancestors in faith we are more often than not on the journey in the wilderness seeking to know who we are as a people and trying to comprehend the God who we hope is going up with us wherever it is we end up going The paths are not as familiar as they once were and recognizable signposts are rare It s easy to feel lost The congregation I have now served in Miami Florida for nearly twenty years has while remaining constant in size changed faces accents and styles at a dizzying pace People don t stay put anymore and the folk who find their way to church these days are hungry for a home longing for community and hoping the God of their long vanished Sunday school childhoods can find the way to their latest change of address For this pastor and her congregation the rooting of our common life and shared faith story in the fertile soil and the organic rhythms of the liturgical year has provided a permanent address that feels like home Tuning My Heart is a collection of articles sermons and poetry based upon the movements of the liturgical calendar and shaped by one tropical congregation s life cycle as it seeks to bloom in the old rich soil of the Christian tradition and to flower in the exotically scented air of the vibrant diverse city that is home
