as Liverpool the home of the modern world s most celebrated rock group and of a legendary football team The city is equally notorious for its poverty its ethnic and racial divides and above all its decline For Liverpool was once a major port growing rich on slavery on trade with the Americas and the British Empire s outposts in Africa and Asia In the 1980s it was described as obsolete Yet the city fights on This is the epic history of Liverpool since the Second World War It is a story of vast docklands shrinking and eventually vanishing when corporations discovered they could shift goods in containers and

dispense with human workers of industries like car manufacturing mushrooming and disappearing of huge new suburbs being built and neglected It is a moving and horrifying narrative of casual racism Chinese sailors deported en masse in the aftermath of the war systematic discrimination against the city's Black population and of resistance culminating in the Toxteth riots in 1981 It is the story of a city fighting against a descent into obsolescence Liverpool also becomes a prism through which recent British history is brought into a new focus It is the fascinating history of a single iconic city But it is also a warning of what the future may hold for many more communities **Anfield Road** Chris Shepherd,2024-10-29 Conor lives at home with his Gran on Anfield Road Liverpool Life is routine Findus Crispy Pancakes for tea drunk scallies on the way to the footy and a school that's more like a prison Conor dreams of getting out going to art college in London with his girlfriend Maureen but he's terrified of leaving his sick domineering grandmother behind and striking out on his own What follows is a Northern Fantasy as Conor investigates bigotry sickness and being true to himself all against the glorious backdrop of 1980s Liverpool This is one of the best and most powerful graphic novels I've seen David Quantick It's fascinating to see such a beautiful rendition of Anfield in the late 80s a neglected landscape that I knew so well Alexi Sayle The economy and beauty of this graphic novel highlights how talented and probably underrated he is as both a storyteller and an artist David Shrigley Captures the beauty and the bleak of growing up skint in 80s Liverpool Helen Serafinowicz
