## Maine Trout Fishing Guide:

**Wide and Deep** Randy Spencer, 2014-04-01 A collection of stories from one of Maine's master fishing guides. There is little about the remote town Grand Lake Stream in eastern Maine and its surrounding lakes that Randy Spencer doesn't know like the back of his hand. Spencer, a Master Maine Guide, has learned from the best and has enough experience as a hunting and fishing guide to fill several lifetimes. *Wide and Deep* transports readers to remote backwoods and crystal clear lakes. At its most remote, rural Maine is truly breathtaking in its natural beauty, and Spencer is unrivaled in his ability to capture like no other the experiences of fishing and hunting in some of the most hidden and undisturbed areas in the world. The relationship between a sport and his guide is an ongoing conversation, one that can last hours, days, and even years. The company you offer is just as valued as the company you keep. Whether they are stories of joy or of pain, there is nothing like listening to Randy Spencer, and *Wide and Deep* perfectly captures the moments on the water that people wait their entire lives for and spend the rest of their lives remembering. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. *The Complete Guide to Fly Fishing Maine* Bob Newman, 1994 A Down East sportsman shares his knowledge of fishing in Maine. This guide is filled with information from strategies to helpful insights on locations, gear, and finding a guide. *The Fisherman's Guide to Maine* Earle Doucette, 2013-04-26 This is a vintage guide to fishing in and around Maine, America. It contains entertaining and informative anecdotes of the author's extensive personal experiences, as well as detailed descriptions and helpful advice, complete with full-page maps of the area. Contents include: Part One: What to Catch and How to Catch Them. In General: The Brook Trout, The Landlocked Salmon, Atlantic Salmon, Bass, Pickerel, and Perch. Salt Water Fishing. Part Two: Where to Catch Them. The St. John River, Fish River, Lakes Region, The Moosehead Lake, Katahdin Region, The Rangeley Region, The Washington County Region, etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition, complete with a specially commissioned new introduction on the history of fishing.

*Fishing Maine* Tom Seymour, 2023-11-30 *Fishing Maine* contains detailed information about more than 80 fishing hot spots around the state.
