And though it's clear Nevada spells trouble, she arouses all Trick's protective instincts and a whole lot more. He offers her sanctuary at the Victorian mansion said to be haunted that's been in the Grainger family since the 1850s. But although Nevada is deeply attracted to Trick, how can she hope for love when even her name is a fake? As a series of eerie, violent deaths plague the area, Nevada and Trick race to uncover the link between Nevada's lost amulet and her only known family: her half brother, a San Francisco politician with an insatiable bloodlust. And even if they survive the physical danger, the greatest threat comes from within, because Nevada has no idea who she is, where she came from, or what she might have done.
