**Memo Harry Truman** Harry S. Truman,1986-03-21 The Revolutionary Saket Suryesh,2020-02-26 It was a cold morning the Nineteenth day of December in the year 1927 when a well built young man barely Thirty walked to the gallows with the chants of Vande Mataram on his lips in Gorakhpur prison This death will be mourned by the patriots who would follow him in the struggle for Independence This death will be forgotten by many in the years after independence As the youth of today follows false heroes from the foreign lands why do we know so little about our own revolutionaries and heroes like Ram Prasad Bismil It is mostly because their truth their story was pushed away from the public view to the dark corners His memoirs and writings suffered the same fate as his memories This book is an attempt to revive his memories because they hold answers to many questions of the future It is my sincere wish that this memoir of the great son of Mother India be read by as many people as possible so that we are able to appreciate the value of freedom we enjoy today and often take for granted and do not repeat the mistakes of the past which had once placed us under the dark shadows of slavery and kept us under curse of a foreign rule for a long time Umashri Bharti Ex Minister Government of India Ramprasad Bismil in his being represents the quintessential Indian Grew up through adversity still kept the flame of nationalism burning in his heart Often let down often betrayed he never lost hope for the India that he believed was ripe not only for a revolution rather also for a renaissance I would urge every nationalist Indian to read this autobiography Shivraj Singh Chauhan Ex Chief Minister and Senior BJP leader *Number Two to Tutu* Michael Nuttall,2003 This book tells a story involving two South African church leaders Desmond Tutu and Michael Nuttall during a dramatic and decisive time in the history of their country the 1980 s and 1990 s Tutu was and is well known and acclaimed across the world firstly for his courageous prophetic witness against apartheid and all it stood for and secondly for his chairing of the Truth and Reconciliation Commission Nuttall was Bishop of Natal when Tutu was Archbishop of Cape Town His election in 1989 to be the bishop next senior to the Archbishop meant that he was drawn into a remarkable partnership This book opens the curtains on some intriguing and transforming situations in which they became involved It shows how the church through its leaders as well as in other ways played an important part in South Africa s journey from being a racist tyranny into acquiring a new democratic dispensation It also shows how the church attended to its own internal needs and challenges at the same time Commodore Robert F. Stockton, 1795-1866 , **The Annual monitor and memorandum book (or, Obituary of the members of the Society of friends). 1813-19 [all of the 2nd ed. as vol. 1 with a general title-leaf and index 1813-32], 22, 33-37, 39; 43 - 1919-20** Society of friends,1874 **Afghanistan Declassified** Brian Glyn Williams,2011-09-22 Nearly 100 000 U S soldiers were deployed to Afghanistan at the height of the campaign fighting the longest war in the nation s history But what do Americans know about the land where this conflict is taking place Many have come to have a grasp of the people history and geography of Iraq but Afghanistan remains a mystery Originally published by the U S Army to provide an overview of the

country's terrain, ethnic groups and history for American troops and now updated and expanded for the general public. Afghanistan Declassified fills in these gaps. Historian Brian Glyn Williams, who has traveled to Afghanistan frequently over the past decade, provides essential background to the war, tracing the rise, fall, and reemergence of the Taliban. Special sections deal with topics such as the CIA's Predator drone campaign in the Pakistani tribal zones, the spread of suicide bombing from Iraq to the Afghan theater of operations, and comparisons between the Soviet and U.S. experiences in Afghanistan. To Williams, a historian of Central Asia, Afghanistan is not merely a theater in the war on terror. It is a primeval, exciting, and beautiful land, not only a place of danger and turmoil but also one of hospitable villagers and stunning landscapes of great cultural diversity and richness. Williams brings the country to life through his own travel experiences, from living with Northern Alliance Uzbek warlords to working on a major NATO base. National heroes are introduced, Afghanistan's varied ethnic groups are explored, key battles both ancient and current are retold, and this land that many see as only a frightening setting for prolonged war emerges in three dimensions.
