

The background of the book cover is a detailed illustration. It depicts a large, muscular, winged figure, possibly a cherub or angel, with a human-like face and a red collar. The figure is standing on a dark, rocky ledge. In the foreground, a smaller, winged figure is crouching, looking up towards the larger figure. The scene is set against a backdrop of a bright, hazy sky and a dark, turbulent sea or ocean. The overall style is reminiscent of classical religious art.

Memoirs From The War In Heaven:

Memoirs from the War in Heaven John H. Doe, 2014-10-15 Started on a Friday Night Ended in Eternity In the last month of the Year of the Dragon Important things happen from time to time mostly without warning Things that give purpose to a life even the reason why you were born at all I am a child of God to whom was revealed strange and wondrous things things I must relate to show something of why life is as life is why the world is as the world may be This is my story perhaps with the mundane washed away to distill the range of experience of how I was given my own true purpose why why my life walked the path it did From a running start a typical Friday night turned suddenly epic I have seen awesome things unfold before my eyes and these were of the War in Heaven the real one not a metaphor for something other I was a soldier in God's army and I fought beside angels in the casting of Satan and his own from Heaven I'm sure you've heard the tale What if it were real what if it really happened And the dispatching of Lucifer to Hell What if the stakes were higher what if the prize was all of creation Indeed this is the story I tell I am the white rabbit Do you want to see just how far the rabbit hole goes And what is beyond sometimes touches down sometimes through your very fingertips See for yourself Memoirs of the War in the Southern Department of the United States Henry Lee, 1870 *Memoirs of the Harvard Dead in the War Against Germany* Mark Antony De Wolfe Howe, 1922 Memoirs of Prince Metternich: Materials for the history of my public life, 1773-1815 (Autobiographical memoir) ; Gallery of celebrated contemporaries ; Collection of documents from the first period of Metternich's life, 1773-1815 Clemens Wenzel Lothar Metternich (Fürst von), 1880 **Memoir. Boyle, Jeehyun Lim, 2016-06-17 More than forty years have passed since the official end of the Vietnam War yet the war's legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam Looking Back on the Vietnam War brings together scholars from a broad variety of disciplines who offer fresh insights on the war's psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global legacies Though they come from diverse scholarly backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we remember it and why **The poetical works of Samuel T.
