Reitz, 2015 This handbook surveys American sentencing and corrections from global and historical views from theoretical and policy perspectives and with attention to a number of problem specific issues      *Special Needs Offenders in Correctional Institutions* Lior Gideon, 2012-09-14 *Special Needs Offenders in Correctional Institutions* offers a unique opportunity to examine the different populations behind bars e.g. chronically and mentally ill, homosexual, illegal immigrants, veterans, radicalised inmates etc. as well as their needs and the corresponding impediments for rehabilitation and reintegration      *Crime, Prisons, and Jails* Kim Masters Evans, Evans, Information Plus, 2011 Focuses on the social and moral issues surrounding crime, prisons and jails

Court of Appeals, 2009      **Prisons and Punishment in America** Michael O'Hear, 2018-09-14 Synthesizing recent scholarship in law and the social sciences on criminal sentencing and corrections, this book provides a thorough, balanced and accessible survey of the major policy issues in these fields of persistent public interest and political debate. After three decades of explosive growth, the American incarceration rate is impractically high. Drawing on leading research in law and the social sciences, this book covers a range of topics in sentencing and corrections in America in a manner that is accessible and engaging for general readers. Tackling high level issues in the criminal justice system, it outlines the scale and causes of mass incarceration in the United States. To complement this, it details the roles and relative power of judges and prosecutors, the severity of punishment for drug offenders and white collar offenders, the abuse of prisoners and the enforcement of prisoner rights and repeat offending by released prisoners. Readers will better understand the challenges that come with a high incarceration rate, such as the management of mental illness in the criminal justice system, the management of sex offenders and the impact of parental incarceration on children. Looking ahead, this timely resource also considers prospects for reducing current incarceration levels, the availability and effectiveness of alternatives to incarceration, and the future of capital punishment      "*Code of Massachusetts regulations, 2012*", 2012 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020      "*Code of Massachusetts regulations, 2014*", 2014 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020      **"Code of Massachusetts regulations, 2008"**, 2008 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020      **"Code of Massachusetts regulations, 2006"**, 2006 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020      **"Code of**
