

MENAGE A MAGICK

She was to be the filling in a Wizard Sandwich. For a millennia, the Covenant Sorceresses of planet Sentmar have been separated from the Cauldaran Wizards, their natural mates. Deceit and blood have forced a reunion; destiny and passion have forced a bond.

Brianna, youngest of the Princesses of Covenant, will be a consort to two handsome, virile Wizards. Will the union be forged in desire and love, or will she deny the union, as well as the two men who are bound to her, hearts and souls?

...a very hot but romantic story. A story that is also filled with mystery and excitement, a combination that will leave you breathless.

Menage a Magick Lora Leigh,2022 She was to be the filling in a Wizard Sandwich For a millennium the Covenant Sorceresses of planet Sentmar have been separated from the Cauldaran Wizards their natural mates Deceit and blood have forced a reunion destiny and passion have forced a bond Brianna youngest of the Princesses of Covenant will be a consort to two handsome virile Wizards Will the union be forged in desire and love or will she deny the union as well as the two men who are bound to her hearts and souls *Dramatic Character in the English Romantic Age* Joseph W. Donohue Jr.,2015-03-08 This was the age of the star For the first time in the history of the theater the playwright took second place to the actor the interpretation of the role assumed primary importance in assessing a performance It was Mr Kean's Hamlet first and Mr Shakespeare's second What effects did this highly subjective interpretive emphasis have on the drama Where did it originate and how did it evolve These questions are considered at length in the author's analysis of the nature of Romanticism itself as revealed in essays novels criticism and by the actors themselves The Jacobean origins of this revolutionary period are reviewed followed by a close scrutiny of the critical writing of such contemporary thinkers as Hazlitt Coleridge Shelley and Keats This entirely new concept provides an important link between the practical theater and the contemporary philosophical thought of the time Originally published in 1970 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

begins when she goes on a date with Ezra the college heartthrob who wastes no time taking her apart despite being surrounded by people in the middle of a crowded movie theater That should be the most exciting thing to have ever happened to her except that s just the beginning FALLING FOR ETERNITY Naomi enjoys a quiet peaceful life Her only grievance is that she harbors feelings for her guardian a mage who doesn t return her feelings According to him she owes the dragon a life debt and in return he has asked for her hand in marriage She doesn t remember incurring such a debt but her lack of memory of the event does not nullify her debt PG Excerpt Did I say you could let go of the popcorn he whispered breath hot against the side of her face It wasn t safe for her to loosen her jaw even if he didn t have a hand over her mouth so she shook her head and put her shaking fingers back to the cardboard The contents shook along with her trembling fingers a sound that was thankfully masked by the ongoing explosions in the movie For a terrifying moment she wondered if this was all a prank Any moment now the other people in the theater was going to turn towards them and start snapping pictures of her with her legs spread her skirt folded over her lap and her her everything exposed Should we keep going he asked no judgement in his voice and that fear faded to nothingness No Ezra was known to bang everything on legs but he wasn t the kind to kiss and tell In fact none of the women he had went out with had anything bad to say about him which was a feat because he had gone out with so many of them Some even twice If all his dates went this way she understood why She shook her head Maybe she should tell him that she had never had sex before so he would show mercy on her but he was toeing the line of exhibitionism and she thought sex would probably never be this exciting again so she kept her mouth shut and nodded Good girl he whispered making her shiver She should probably put some thought into why those two words had such an effect on her but that was for later when her brain wasn t melting out of her ears His palm slowly pulled away from her mouth It left her lips and cheeks feeling cold and slightly damp and she had to bite the inside of her cheek to keep from making a sound when he cupped her between her legs Stay still stay quiet he reiterated against the side of her head and then went back to stroking her The movie passed in blurs of colors and bursts of sound The popcorn in the bucket slowly disappeared as he stuffed his mouth with his free hand while she edged closer and closer to losing her mind as he edged her again and again At some point she had begun to shake every inch of her body trembling in the small theater seat along with the bucket in her lap making the popcorn inside shift in a constant soft sound She couldn t remember the last time she had been denied for so long been driven to the edge only to be gentled back again and again until it felt like she could be touched on any part of her skin and she could come apart
