La Testa Degli Italiani:

La testa degli italiani Beppe Severgnini, 2010 Percorrendo la Penisola in compagnia di amici venuti dall'estero Beppe Severgnini diventa cicerone ironico e implacabile Da Milano a Firenze da Roma a Napoli dalla Sardegna fino alla sua città Crema l'insolita guida traduce le strade le case le piazze i negozi le chiese gli stadi gli ipermercati le spiagge Editore **La Bella Figura** Beppe Severgnini, 2007-06-12 First of all let's get one thing straight Your Italy and our Italy are not the same thing Italy is a soft drug peddled in predictable packages such as hills in the sunset olive groves white wine and raven haired girls Italy on the other hand is a maze It's alluring but complicated In Italy you can go round and round in circles for years Which of course is great fun Beppe Severgnini was The Economist's Italian correspondent for ten years A huge Anglophile as well as an astute observer of his countrymen he's the perfect companion for this hilarious tour of modern Italy that takes you behind the seductive face it puts on for visitors la bella figura and uncovers the far more complex paradoxical true self Alongside the historic cities and glorious countryside there'll be stops at the places where the Italians reveal themselves in all their authentic maddening glory the airport the motorway and the living room Ten days thirty places From north to south from food to politics from saintliness to sexuality This witty and beguiling examination will help you understand why Italy as Beppe says can have you fuming and then purring in the space of a hundred metres or ten minutes **La Bella Figura** Beppe Severgnini, 2007-06-12 Join the bestselling author of Ciao America on a lively tour of modern Italy that takes you behind the seductive face it puts on for visitors la bella figura and highlights its maddening paradoxical true self You won't need luggage for this hypothetical and hilarious trip into the hearts and minds of Beppe Severgnini's fellow Italians In fact Beppe would prefer if you left behind the baggage his crafty and elegant countrymen have smuggled into your subconscious To get to his Italy you'll need to forget about your idealized notions of Italy Although La Bella Figura will take you to legendary cities and scenic regions your real destinations are the places where Italians are at their best worst and most authentic The highway in America a red light has only one possible interpretation Stop An Italian red light doesn't warn or order you as much as provide an invitation for reflection The airport where Italians prove that one of their virtues an appreciation for beauty is really a vice Who cares if the beautiful girls hawking cell phones in airport kiosks stick you with an outdated model That's the price of gazing upon perfection The small town which demonstrates the Italian genius for pleasant living a congenial barber a well stocked newsstand professionally made coffee and a proper pizza bell towers we can recognize in the distance and people with a kind word and a smile for everyone The chaos of the roads the anarchy of the office the theatrical spirit of the hypermarkets and garrulous train journeys the sensory reassurance of a church and the importance of the beach the solitude of the soccer stadium and the crowded Italian bedroom the vertical fixations of the apartment building and the horizontal democracy of the eat in kitchen As you venture to these and many other locations rooted in the Italian psyche you realize that Beppe has become your Dante and shown you a country that has too much style

to be hell but is too disorderly to be heaven Ten days thirty places From north to south From food to politics From saintliness to sexuality This ironic methodical and sentimental examination will help you understand why Italy as Beppe says can have you fuming and then purring in the space of a hundred meters or ten minutes *Il senso dell'Italia* Francesco Morace, 2008

A Discourse Analysis of the 'Trumpusconi' Phenomenon Giuseppina Scotto di Carlo, 2020-11-24 Is Trump our contemporary Berlusconi In 2015 Frank Bruni coined the term Trumpusconi when the media noticed some similarities between the then US presidential candidate Donald Trump and Italy's former Prime Minister Silvio Berlusconi At that time while many Italians joked about Trump as a d j vu scholars began to analyse these two political outsiders in an attempt to imagine Trump's probable presidency by studying Berlusconi's career Regardless of any political view it is against this background that this work analyses these two political figures through discourse analysis to understand whether their similarities go beyond their personality traits and lifestyles The work is divided into two sections the first part provides some information on Berlusconi and Trump's socio cultural origins and educational backgrounds their first steps in their real estate careers their progression into the world of media and politics and their relationships with women The second part of the study proposes a discourse analysis performed on a corpus of speeches held by each politician at the beginning of their political career in order to understand whether their personalities and lifestyles are reflected in their idiolects The book partially confirms the media's ideas about the Trumpusconi phenomenon acknowledging some similarities between the two moguls However it also shows that Berlusconi and Trump belong to two different eras even if Berlusconi's lifestyle language scandals and politics will continue to negatively and positively influence Italy for many years to come the era of social media is leading the world towards models that differ from those of his time Western politics is becoming ever more similar to a form of infotainment and Trump is the perfect incarnation of this evolution Only time will reveal his long term legacy **La Bella Figura** Beppe Severgnini, 2008-11-12 Join the bestselling author of Ciao America on a lively tour of modern Italy that takes you behind the seductive face it puts on for visitors la bella figura and highlights its maddening paradoxical true self You won't need luggage for this hypothetical and hilarious trip into the hearts and minds of Beppe Severgnini's fellow Italians In fact Beppe would prefer if you left behind the baggage his crafty and elegant countrymen have smuggled into your subconscious To get to his Italia you'll need to forget about your idealized notions of Italy Although La Bella Figura will take you to legendary cities and scenic regions your real destinations are the places where Italians are at their best worst and most authentic The highway in America a red light has only one possible interpretation Stop An Italian red light doesn't warn or order you as much as provide an invitation for reflection The airport where Italians prove that one of their virtues an appreciation for beauty is really a vice Who cares if the beautiful girls hawking cell phones in airport kiosks stick you with an outdated model That's the price of gazing upon perfection The small town which demonstrates the Italian genius for pleasant living a congenial barber a well stocked newsstand professionally made coffee and a proper pizza bell towers we can

recognize in the distance and people with a kind word and a smile for everyone The chaos of the roads the anarchy of the office the theatrical spirit of the hypermarkets and garrulous train journeys the sensory reassurance of a church and the importance of the beach the solitude of the soccer stadium and the crowded Italian bedroom the vertical fixations of the apartment building and the horizontal democracy of the eat in kitchen As you venture to these and many other locations rooted in the Italian psyche you realize that Beppe has become your Dante and shown you a country that has too much style to be hell but is too disorderly to be heaven Ten days thirty places From north to south From food to politics From saintliness to sexuality This ironic methodical and sentimental examination will help you understand why Italy as Beppe says can have you fuming and then purring in the space of a hundred meters or ten minutes
