Le Canada Donald J. Savoie, 2023-05-15 La structure politique du Canada va à l'encontre de la géographie économique de l'Amérique du Nord et de l'attraction économique entre le nord et le sud Le Canada a importé des institutions politico-administratives conçues pour un état unitaire et depuis la fondation du pays ses leaders politiques se sont débattus pour qu'elles fonctionnent Pour cette raison plusieurs Canadiens ne se sentent pas leurs communautés et leurs régions se comportent comme des victimes et ce bien plus que chez d'autres groupes dans des démocraties occidentales Notre gouvernement fédéral a dû montrer un plus grand empressement à s'excuser pour des injustices que les autres pays occidentaux Le Canada est globalement plus performant que d'autres nations dans l'aide qu'il apporte aux victimes pour qu'elles fassent la transition les menant participer pleinement à la vie politique et économique du pays Donald Savoie soutient que le Canada continue prospérer malgré les nombreux défauts de ses institutions politiques nationales et le penchant qu'ont les Canadiens de se voir comme des victimes et que notre histoire et ces défauts nous ont appris l'art du compromis La constitution du Canada et ses institutions politiques amplifient plus qu'elles n'atténuent la victimisation cependant elles ont globalement permis aux Canadiens de mieux gérer cet enjeu que dans d'autres pays Les Canadiens ne reconnaissent aussi que l'alternative au Canada est pire et cela plus que tout autre chose continue renforcer l'unité nationale Puisant dans sa longue expérience dans le monde universitaire et en tant que conseiller auprès des gouvernements Savoie propose de nouvelles manières de voir comment le Canada travaille pour sa population
