

Step 3

- 30 minutes: Planning for writing
 - How to focus on one story at a time
 - Do not jump from one story to another within a story
- Touch - Tell - Sketch - Write
 - Create charts

How to Write a Story	
1. CHOOSE A STORY	
• A story you like	
• A story that happened to you	
2. PLAN	
• Think about the main events in the story	
3. WRITE	

- Using invisible pens, "Touch - Tell - Sketch - Write" story to a friend
- Conference
 - Share writing checklist with students

Step 4

- 30 minutes: Using pictures to add on.
 - Lesson in elaboration
- Model how to add on to story as a whole group.
 - Edit our marker story from day 2 as a whole class

One day, I forgot to bring the markers to the meeting area. So during the mini lesson, I walked across the meeting area, go the basket full of markers, and started back to my chair. While walking across the the rug to my chair, I dropped the whole basket of marker. They fell everywhere. After that we put them back in the basket, and I went back to my chair.

- Confering in small groups
 - Teach them about the revision strips

Lucy Calkins Writing Pacing Guide:

Using Art to Teach Writing Traits Jennifer Klein, Elizabeth Stuart Whitehead, 2018-11-23 Our purpose for writing this book is so that children can become better communicators by expressing their thoughts feelings and ideas The ability to communicate is a universal goal in society If children can better communicate in their speaking and writing clearer more precise messages will be received and communication around the world will be strengthened The writing traits are a way for teachers and children to discuss and analyze written pieces for strengths and needs in order communicate their thoughts and expresses their ideas through writing in a way that touches their audience Adding art into this established process will allow children to learn about the writing traits in a text free environment before applying the traits to their own writing Children will learn how artists communicate their thoughts feelings and ideas and how the traits that writers use are similar to the traits that artists use in order to better communicate express themselves and process the world around them In addition we will discuss the revision and editing process Art is an exciting and engaging subject for students This book will allow children to transfer their knowledge of how artists use the traits to how writers use the traits and then to how they can utilize the traits in their own writing to better communicate with their audience and process the world around them *Infusing Vocabulary Into the Reading-Writing Workshop* Amy Benjamin, 2017-01-12 Learn how to make vocabulary instruction more effective by making better use of mini lessons and word study time to achieve durable learning about words and how they work In this essential new book literacy expert Amy Benjamin presents her 4E model Exposure Exploration Engagement Energy for teaching vocabulary so that students gain deep understanding improving their overall language and literacy skills Benjamin guides you through bringing these 4Es to life in your K 8 reading writing workshop Exposure Enrich your teacher talk with sophisticated words and phrases to facilitate natural language acquisition and application of new words Exploration Promote consistent vocabulary growth with a multifaceted instructional approach that incorporates etymology word associations word families spelling and morphology Engagement Build students confidence by encouraging meaningful use of new words both in and out of the classroom Energy Enliven your workshop and increase participation with a variety of word games puzzles projects and cooperative learning activities Each chapter provides practical examples and scenarios to help you apply the model to your own classroom The appendices include a variety of strategies for organizing reading writing workshops a thorough introduction to academic word lists and their role in vocabulary instruction and an analysis of forty Latin and Greek word roots for mini lessons **A Field Guide to the Classroom Library** Lucy Calkins, 2002 Provides comprehensive and accessible leveled lists and guides for 1 200 children s trade books for kindergarten through 6th grade to help teachers build classroom libraries **Launch a Primary Writing Workshop** Lucy Calkins, 2010-10-08 If the writing workshop is always changing always haphazard children remain pawns waiting for their teacher s agenda For this reason and others I think it is so important for each day s workshop to have a clear simple structure Children should know what to

expect This allows them to carry on it frees the teacher from choreographing activities and allows time for listening How we structure the workshop is less important than that we structure it Lucy Calkins Learn how to take your students from pictorial story telling into fluent writing and how Lucy Calkins and her colleagues launch a rigorous and responsive primary writing workshop Through 2 foundational books The Nuts and Bolts of Teaching Writing and Launching the Writing Workshop and eight online video clips Lucy and her colleagues provide the strategies lesson plans and tools you ll need to jump in and teach writing to your students in powerful lasting ways The Nuts and Bolts of Teaching Writing equips you to teach a productive well managed writing workshop introduces you to the methods that underlie all writing instruction and helps you plan a yearlong curriculum in the teaching of writing In addition to guiding you through the classroom systems and teaching structures that are the foundation of a primary writing workshop this comprehensive overview also includes chapters about working within developmental stages of writing supporting English language learners and assessing writers Whether you have taught in a writing workshop for years or are just learning the term Launching the Writing Workshop will offer you a comprehensive plan for the first four weeks of a primary writing workshop Lucy and Leah Mermelstein present both the precise language and pacing of their teaching and the reasoning behind it so that you can create the same powerful experiences with your own children Whether writers write just a few labels on items in their pictures or write paragraphs by the end of this unit all children know that in order to write a writer fills him or herself with an idea plans how the text will go and then draws and writes as best he and she can working to make the page match the writer s vision The eight accompanying video clips convey the inner workings of writing workshops in a variety of primary classrooms These live from the classroom video clips are supported and enhanced by an optional voice over coaching commentary from Lucy that explains the teaching moves and strategies Video clips are free for 6 months upon registration You must register within 6 months of purchase Learn more about these resources and the series at www.unitsofstudy.com This pack is part of firsthand s Getting Started series Bridging the gap between educational theory and practice firsthand classroom materials model the carefully crafted techniques and language of master teachers in ways that help teachers refine their practice and reinvent their own teaching The most comprehensive of these resources span more than a year of instruction Firsthand s Getting Started Packs were created for teachers in training and professional book study groups who want a compact affordable way to study and tryout these transformative classroom materials Each Getting Started Pack includes an overview book a complete unit of study online video clips provided free of charge for 6 months and an accompanying study guide Getting Started packs include Launch a Primary Writing Workshop Grades K 2 Launch an Intermediate Writing Workshop Grades 3 5 Launch an Intermediate Reading Workshop Grades 3 5 Introduce the Qualities of Writing Grades 3 6 Monitor Comprehension with Primary Students Grades K 2 Monitor Comprehension with Intermediate Students Grades 3 6 Investigate the Number System Grades K 3 Investigate Multiplication Grades 3 5 Investigate Fractions Grades 4 6 Balanced Literacy Instruction
