An up close look at the education arms race of after school learning academic competitions and the perceived failure of even our best schools to educate children Beyond soccer leagues music camps and drama lessons today's youth are in an education arms race that begins in elementary school In *Hyper Education* Pawan Dhingra uncovers the growing world of high achievement education and the after school learning centers spelling bees and math competitions that it has spawned It is a world where immigrant families vie with other Americans to be at the head of the class putting in hours of studying and testing in order to gain a foothold in the supposed meritocracy of American public education A world where enrichment centers like Kumon have seen 194 percent growth since 2002 and target children as young as three Even families and teachers who avoid after school academics are getting swept up Drawing on over 100 in depth interviews with teachers tutors principals children and parents Dhingra delves into the why people participate in this phenomenon and examines how schools families and communities play their part Moving past Tiger Mom stereotypes he addresses why Asian American and white families practice what he calls hyper education and whether or not it makes sense By taking a behind the scenes look at the Scripps

National Spelling Bee other national competitions and learning centers Dhingra shows why good schools good grades and good behavior are seen as not enough for high achieving students and their parents and why the education arms race is likely to continue to expand     *Children's Books in Print, 2007* ,2006     Who's Who in Finance and Business Marquis Who's Who, LLC,National Register Publishing,2005-12     **The Foundation 1000** Foundation Center,2002-10     *Who's who in America* ,2003     **Who's who in the Midwest** ,2004     **Who's who in the South and Southwest** ,2004 Includes names from the States of Alabama Arkansas the District of Columbia Florida Georgia Kentucky Louisiana Mississippi North Carolina Oklahoma South Carolina Tennessee Texas and Virginia and Puerto Rico and the Virgin Islands
