A Tomb With a View - The Stories & Glories of Graveyards Peter Ross, 2020-09-03 A FINANCIAL TIMES I PAPER AND STYLIST BOOK OF THE YEAR In his absorbing book about the lost and the gone Peter Ross takes us from Flanders Fields to Milltown to Kensal Green to melancholy islands and surprisingly lively ossuaries a considered and moving book on the timely subject of how the dead are remembered and how they go on working below the surface of our lives Hilary Mantel Ross is a wonderfully evocative writer deftly capturing a sense of place and history while bringing a deep humanity to his subject He has written a delightful book The Guardian The pages burst with life and anecdote while also examining our relationship with remembrance Financial Times best travel books of 2020 Among the year s most surprising sleeper successes is A Tomb with a View In a year with so much death it may have initially seemed a hard sell but the author s humanity has instead acted as a beacon of light in the darkness The Sunday Times Fascinating Ross makes a likeably idiosyncratic guide and one finishes the book feeling strangely optimistic about the inevitable The Observer Ross has written a lively elegy to Britain s best burial grounds Evening Standard Best New Books of Autumn 2020 One of the non fiction books of the year The i paper 2020 Best Books for Christmas Brilliant Stylist Best Christmas books for Christmas 2020 Never has a book about death been so full of life James Joyce and Charles Dickens would ve loved it a book that reveals much gravity in the humour and many stories in the graveyard It also reveals Peter Ross to be among the best non fiction writers in the country Andrew O Hagan For readers of The Salt Path Mudlarking Ghostland Kathleen Jamie and Robert Macfarlane Enter a grave new world of fascination and delight as award winning writer Peter Ross uncovers the stories and glories of graveyards Who are London s outcast dead and why is David Bowie their guardian angel What is the remarkable truth about Phoebe Hessel who disguised herself as a man to fight alongside her sweetheart and went on to live in the reigns of five monarchs Why is a Bristol cemetery the perfect wedding venue for goths All of these sorrowful mysteries and many more are answered in A Tomb With A View a book for anyone who has ever wandered through a field of crooked headstones and wondered about the lives and deaths of those who lie beneath

Convictions, Conflict, and Moral Reasoning David J. McMillan, 2021-12-14 The primary focus of this volume is to bring to the fore the contribution of McClendon and Smith s work on convictions and the application of that work in helping understand the processes of moral reasoning in the context of conflict Both were indebted to Zuurdeeg and their concept was incorporated in models of moral reasoning by Baptist scholars Glen Stassen and

Parush Parushev The usefulness of the concept is critically evaluated The volume concludes with a case study on the conflict in Northern Ireland including the role of religion and the key issues raised in the referendum on the Belfast Agreement in 1998 It includes an examination of the contribution of four Christian groups in Northern Ireland who publicly engaged in this six week period of intense and passionate debate on the Agreement and the difficult issues it addressed as the focus for examining and testing the application of the model of moral reasoning On the basis of the case study is demonstrated that the concept of convictions can prove to be a helpful means of getting to the heart of what drives moral reasoning in contexts of conflict The purpose of this book is to issue a call to engage with critique and consider the importance and application of a much undervalued methodological approach to discerning the convictions that are the primary influencers of thought and action

Written in Stone Tom Hartley, 2010 **Blood on the Shamrock** Mark Joseph Hurley, 1990 The tragic situation in Northern Ireland has been well described as the world's prototype of an intractable political conflict with correlations in nationalism and religion This book explores the current conflict between Ireland and Great Britain with scholarly impartiality presenting an able fair and singularly unbiased picture of the Irish scene in which so much blood has been spilled Irish English Scottish and Welsh
