

MODERN POETRY

Modern poetry refers to the poetry written between 1901 and 1939. Modern poetry appeals to the intellect rather than to emotions. Queen Victoria's death in 1901 marks the beginning of this new literary era. Modernism is more than a literary phenomenon; it is inclusive of many art forms that flourished in European countries including England. Ezra Pound, D. H. Lawrence, Thomas Stearns Eliot, W. B. Yeats, W. H. Auden, Dylan Thomas, Robert Frost are the principal figures of modern poetry.

The modern period has two shorter ages:

(a) The Edwardian Period (1901-1910)

(b) The Georgian Period (1911-1936)

Characteristics:

- (i) **Theme of pessimism and loneliness:** Modern English poetry is studded with the themes of pessimism and loneliness.
- (ii) **Open form and free verse:** The chief feature of modern poetry is its open form and free verse. The modern poetry has no set meter, rhyme scheme and no particular structure.
- (iii) **Unwavering realism:** Modern poetry deals with unwavering realism. The modern poets discard romanticism, pastoralism, etc.
- (iv) **Discontinuous narrative:** Another key feature of modern poetry is its discontinuous narrative. Modern poets do not follow any tradition chronological narrative in their poems.
- (v) **Classical allusions:** Another key feature of modern poetry is classical allusions. Modern poetry is full of allusions. W. H. Auden's poem gives the allusion of Greek hero Achilles.
- (vi) **Fragmentation and juxtaposition:** Fragmentation of thoughts and juxtaposition of these are another feature of modern poetry. T. Eliot's in his "The Love Song of J. Alfred Prufrock", uses juxtapositions, discontinuity, fragmentation and ambiguity when he starts the poem:

"Let us go then, you and I,
When the evening is spread out against the sky
Like a patient etherized upon a table."

- (vii) **Impersonal and anti-romantic:** Modern poetry is impersonal and anti-romantic. It is contrary to the romantic poetry emotions, feelings, imagination and spontaneity.
- (viii) **Psychoanalytical method:** The exploration of psychoanalysis is a prominent feature of modern poetry. The modern poets are highly influenced by Sigmund Freud's exploration of human psychoanalysis. In Eliot's "The Waste Land", there is the instance psychoanalysis:

"Winter kept us warm, covering
Earth in forgetful snow, feeding
A little life with dried tubers.
Summer surprised us,
Summer surprised us."

- (ix) **Stream of consciousness technique:** The inclusion of stream of consciousness technique is another chief feature of modern poetry. It is a narrative technique used to depict the innumerable thoughts and feelings going inside the mind of the characters. This term is often used as monologue. The modern poets let their subconscious play and important role.
- (x) **Imagism:** Imagery helps a reader to understand anything in his mind's eyes. Hard and dry images are another notable feature of modern poetry. The modern poet's use these types of images to expose the anarchy of contemporary society.
- (xi) **Symbolism:** The use of symbols is another feature of modern poetry. In fact, modern poetry can not be thought of without symbols and symbolic meanings. Robert Frost's poem "Stopping by Woods on a Snowy Evening" gives symbolic overtones:

"But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep."

Modern Poetry Paper Topics
