Genocides and Xenophobia in South Asia and Beyond Rituparna Bhattacharyya, 2023-07-07 This volume foregrounds some of the unknown or lesser known incidents of xenophobia and genocide from India Bangladesh Sri Lanka South Africa and Rwanda It critically analyses the cultural and structural contexts triggering these various forms of genocides and xenophobia and situates them within modern histories of violence and human tribulations The book discusses various non Western case studies which include the communal violence incited by anti CAA protests in Delhi the expulsion and displacement of Kashmiri Pandits xenophobic attitudes against illegal immigrants in Assam genocide in Sylhet during the Liberation War of Bangladesh the 1994 genocide in Rwanda and incidences of human rights violations across the world A comprehensive and transdisciplinary text the book will be useful for students and researchers of human geography sociology political science social work anthropology colonialism and postcolonialism nationalism imperialism human rights and history

The Holocaust Paul R. Bartrop, Michael Dickerman, 2017-09-15 This four volume set provides reference entries primary documents and personal accounts from individuals who lived through the Holocaust that allow readers to better understand the cultural political and economic motivations that spurred the Final Solution The Holocaust that occurred during World War II remains one of the deadliest genocides in human history with an estimated two thirds of the 9 million Jews in Europe at the time being killed as a result of the policies of Adolf Hitler and Nazi Germany The Holocaust An Encyclopedia and Document Collection provides students

with an all encompassing resource for learning about this tragic event a four book collection that provides detailed information as well as multidisciplinary perspectives that will serve as a gateway to meaningful discussion and further research The first two volumes present reference entries on significant individuals of the Holocaust both victims and perpetrators anti Semitic ideology and annihilationist policies advocated by the Nazi regime giving readers insight into the social political cultural military and economic aspects of the Holocaust while enabling them to better understand the Final Solution in Europe during World War II and its lasting legacy The third volume of the set presents memoirs and personal narratives that describe in their own words the experiences of survivors and resisters who lived through the chaos and horror of the Final Solution The last volume consists of primary documents including government decrees and military orders propaganda in the form of newspapers and pamphlets war crime trial transcripts and other items that provide a direct look at the causes and consequences of the Holocaust under the Nazi regime By examining these primary sources users can have a deeper understanding of the ideas and policies used by perpetrators to justify their actions in the annihilation of the Jews of Europe The set not only provides an invaluable and comprehensive research tool on the Holocaust but also offers historical perspective and examination of the origins of the discontent and cultural resentment that resulted in the Holocaust subject matter that remains highly relevant to key problems facing human society in the 21st century and beyond **The Crash of**

A Civilization Kanchan Banerjee,2022-07-13 The Current condition of each citizen the society and the nation are the result of a deeply complex history But what we know from history books especially academic textbooks are constructs based on the narratives of political powers colonists and outdated socioeconomic analysts The time has come to know and understand our true history from fresh and updated perspectives The subject of this book is how foreign ideologies and forces Christian Islamic and later colonists western and Marxists profound and long term influence have impacted India her society and people With a computer science back ground Kanchan Banerjee makes this remarkable and significant contribution attempting to depict the current era with unique and lively storytelling using carefully studied evidence logical deduction and analysis He has given detailed and comprehensive descriptions and assessments from pre Islamic Arabia s history foreign attacks and invasions of the Huns the Turks to the Islamic rule and occupation in Delhi and the British colonial and imperial atrocities How did the crash and fall of a great ancient civilization happen How has it been wounded the body and soul of a nation to break into several pieces And what is the way to change the direction to the path of recovery and revival This book is an effort to find the answers to these questions from our true history If we know our past we can change our future as well

The Strategy of Maoism in the West Jones, David M.,Smith, M. L.R.,2022-06-16 Investigating 20th century Chinese ideology through the two main elements of passionate belief and cultivation of rage this timely book examines how Maoist thinking has influenced Western politics **Architectures of Violence** Kate Ferguson,2022-05-01 Paramilitary or irregular units have been involved in practically every case of identity based mass violence in the modern world but detailed analysis

of these dynamics is rare Exploring the case of former Yugoslavia the genocides in Rwanda and Darfur and the ongoing violence in Syria Kate Ferguson exposes the relationships between paramilitaries state commands local communities and organized crime She presents these architectures of violence as a way of comprehending how the various structures of command and control fit together into domestic and international webs of support enabling and encouraging irregular and paramilitary violence Visible paramilitary participation in modern mass atrocities has succeeded in masking the continued dominance of the state in a number of violent crises Irregular combatants have participated so significantly in committing atrocity crimes because political elites benefit from using unconventional forces to fulfil ambitions that violate international law and international policy responses are hindered when responsibility for violence is ambiguous Ferguson s inquiry into these overlooked dynamics of mass violence unveils substantial loopholes in current atrocity prevention architecture Until these are addressed state authorities will likely continue to use irregular combatants as perpetrators of atrocity
