Yves Congar 1904-1995 Etienne Fouilloux, 2023-06-01 This book is the culmination of a long companionship a final link between a historian familiar with theology and a theologian keen on history It was in February 1966 that Etienne Fouilloux met the Dominican theologian Yves Congar for the first time He then began a thesis on the origins of ecumenism Congar liberally opened his personal archives to him For fifteen years Congar did not leave the horizon of Fouilloux Congar attended the defense of his thesis in 1980 Then according to the work of the historian the theologian was never far away voluntary or involuntary protagonist of many of his studies on the theological crises of the 1930s and 1950s the Second World War or the Second Vatican Council In scattered but recurring touches Fouilloux had already shed light on many aspects of Congar's work including by publishing Journal d'un théologien 1946 1956 Editions du Cerf 2000 Today an overall plan and the cement necessary for writing a life story conceal the many stones previously brought to the building and finally constitute a biography of Father Congar The sum is undeniably greater than the addition of the parts Sabine Rousseau Archives de Sciences sociales des religions October December 2021 **Law and the Christian Tradition in Italy** Orazio

Condorelli, Rafael Domingo, 2020-07-02 Firmly rooted on Roman and canon law Italian legal culture has had an impressive influence on the civil law tradition from the Middle Ages to present day and it is rightly regarded as the cradle of the European legal culture Along with Justinian's compilation the US Constitution and the French Civil Code the Decretum of Master Gratian or the so called Glossa ordinaria of Accursius are one of the few legal sources that have influenced the entire world for centuries This volume explores a millennium long story of law and religion in Italy through a series of twenty six biographical chapters written by distinguished legal scholars and historians from Italy and around the world The chapters range from the first Italian civilians and canonists Irnerius and Gratian in the early twelfth century to the leading architect of the Second Vatican Council Pope Paul VI Between these two bookends this volume offers notable case studies of familiar civilians like Bartolo Baldo and Gentili and familiar canonists like Hostiensis Panormitanus and Gasparri but also a number of other jurists in the broadest sense who deserve much more attention especially outside of Italy This diversity of international and methodological perspectives gives the volume its unique character The book will be essential reading for academics working in the areas of Legal History Law and Religion and Constitutional Law and will appeal to scholars lawyers and students interested in the interplay between religion and law in the era of globalization **Serviteur de Dieu et de**

l'humanité Elio Guerriero, 2017-08-18 Benoît XVI partage son histoire pour la première fois depuis sa renonciation Joseph Ratzinger est largement reconnu comme l'un des plus brillants théologien et dirigeant spirituel de notre époque Il est né en Allemagne en 1929 et la montée du nazisme et de la guerre ont profondément marqué sa vie Ratzinger a été pape en 2005 prenant le nom de Benoît XVI Il a ouvert un chemin de purification pour l'Église catholique romaine un moment où elle a été secouée par des scandales financiers et des scandales de violences sexuelles Il a répété plusieurs reprises que l'Europe devait retrouver ses racines chrétiennes et construire un nouvel humanisme pour le XXI^e siècle Benoît XVI a été mal compris par beaucoup et en 2013 il a tonné le monde en démissionnant de la papauté Beaucoup ont vu dans ce geste comme un signe du déclin du catholicisme mais c'était le contraire c'était une graine nécessaire pour ouvrir l'Église une dimension vraiment universelle et au renouvellement entrepris par son successeur Ce livre est préfacé par le pape François et contient le premier entretien de Benoît XVI depuis la fin de son pontificat
