

A close-up, cinematic shot of a Viking warrior. He has a thick, dark beard and is wearing a dark leather tunic with a large, grey fur collar. He is holding a large, ornate battle-axe with both hands. The axe head is decorated with intricate silver or metal patterns. The background is dark and smoky, with some orange light suggesting fire or battle. The overall tone is gritty and intense.

An Excerpt from the Book Her first thought was that this cannot be one of the fearsome warriors who had so thoroughly terrorized their country He was simply too beautiful to be a barbarian He was muscular and lean there was little doubt about that but in every other way he was as far from the burly warrior types that served her father as one could get He towered over her An animal pelt of some kind was draped across his broad thick frame He had shoulder length dark blonde hair and sapphire blue eyes His tanned skin wrapped tight around his war hardened muscles and glistened in the faint light of the tented barracks When she gazed upon him something unfamiliar

stirred within the Princess Even though she was repulsed by everything he represented without even knowing who he was she found herself overcome with new emotions What s worse is that as a virgin the Princess was unacquainted with these feelings Oh sure she d had her share of suitors over the years all of them utterly forgettable Most of them were dull sons of even duller families and certainly none of them had caused the ardor in her that this stranger did He hadn t even spoken a word to her but communicated more by his mere presence than one thousand of finest royal lads in all the lands She knew it was wrong to feel the things she felt especially with her father s kingdom in peril but she found herself unable to control her thoughts and her desires
