MINDWORKS ART Volume 3 Richard Fisher, 2014-12-13 There is an inward focus and an outward focus to our lives Outwardly the focus for me was what could be created what would sell be acceptable This was my life in the industrial design world designing and teaching in all its aspects Always the marketplace was kept in mind Inward focus became possible with fine arts studying oil painting at the Brooklyn Museum with Reuben Tam and later printmaking at Columbia University Teachers College The images and sketches in this book are early works as contrasted with MINDWORKS of more recent years Craftmanship and technique have always interested and challenged me it is an adventure of discovery of failures and successes the visual world of art opening up every step of the way What better way to discover one's self than to be an artist
