Governance Boris Kaehler, Jens Grundei, 2018-07-04 Human resource HR governance is a relatively new construct that has recently begun attracting more and more attention in both research and practice As a part of corporate governance it represents the internal and external normative framework of human resource management and its supervision in organizations This book theoretically integrates HR governance with the related domains of corporate governance general management HR management and leadership By doing so it provides scholars and practitioners in the field with a precisely delineated system of theoretical concepts for their work and helps to translate these concepts into concrete research questions and practical guidelines By interpreting the new ISO 30408 norm on human governance and taking into account recent developments the book helps to comply with and anticipate current and future HR regulations Regulation and Best Practices in Public and Nonprofit Marketing

Lucica Matei, 2010 The volume contains the papers presented during the 9th International Congress of the International Association on Public and Nonprofit Marketing IAPNM entitled Regulation and Best Practices in Public and Nonprofit Marketing Structured in accordance with the sessions of the mentioned Congress the volume includes papers and relevant contributions on marketing research development in the public administration

healthcare and social assistance higher education local development and more generally nonprofit organizations The social marketing specific issues take an important part of the volume giving the diversity of the approached topics as well as the large number of researchers concerned with this matter Though of small dimensions the contents of the sessions dedicated the revival and reinvention of public marketing must be underlined as well as of the transfer of public marketing best practices to the South Eastern European states Publishing this volume represents a term of the interest expressed by over 40 academic and research groups in Europe and other continents with interests in the public and nonprofit marketing field as well as in other European states bodies that develop specific empirical studies **Rethinking Management** Boris

Kaehler,Jens Grundei,2025-08-27 The concept of management is well established and very familiar to scholars and practitioners alike However it is also very generic with no agreed upon definition and no consistency in the demarcation between it and its sub concepts and other similar terms Building on an in depth analysis of literature this book establishes a precise understanding of management and systematically integrates its sub concepts of organization governance strategic management human resource management leadership and organizational culture It thus provides a clear theoretical and conceptual framework helping researchers to theorize and practitioners to implement corporate management models

Religion and Its Impact on Organizational Behavior Al-Aali, Ebtihaj,Masmoudi, Meryem,AlSaffar, Gardenia Jassim,2022-02-18 Religion and its effect on individuals in organizations is critical to understand as organizational behavior and culture are dependent upon individual employees Evaluating the link between religion and organizations is important in today s world in order to develop organizations and understand employee motivations perspectives and ideals Further research into this link is needed to ensure organizations operate successfully and prosper Religion and Its Impact on Organizational Behavior seeks to enhance the understanding of theories concepts procedures and processes related to the impact and effect that religion has on the behavior of individuals in organizations Covering a range of topics such as personality and religion human perception of religion and work related attitudes this book is ideal for practitioners industry professionals business owners policymakers researchers academicians instructors and students **Modern Management S**
