Mission and Context Jione Havea, 2020-06-30 Mission is contrived from and performed over lived contexts but the visions that guide and drive mission are oftentimes blinded by power position protection and plenitude This collection visits those matters with queering attention to the shadows that empires cast over the contexts of mission and to the collusion and complicity of Christians and churches with empires past as in the case of Rome and present as in the case of the United States of America In the interests of those in mission fields who survived but continue to agonize under the burdens of empires the contributors to this work dare to re vision the course and cause of mission Writing from minoritized settings in Africa Asia the Americas and Oceania the authors interweave the principles and practices of mission with the opportunities in decolonial theology and hermeneutics minoritized and migrant Christologies repatriation and the courage to get up and get out indigenous insights and wisdom mission archives stories of resistance and endurance in zones of contact and violence restless souls and returning spirits and life centered spiritual en countering In Mission and Context as with previous volumes in this series empires do not have the final word nor are they the final world *Promoting Gender Equity in Selected Public Universities of Kenya* Jane Onsongo, 2011 The purpose of this study was to examine sustainable gender equity interventions in selected public universities The study used descriptive survey and case study research methods to carry out an in depth analysis of the gender equity interventions in selected public universities in Kenya The sample consisted of four public universities that were selected because they had established gender centers institutes that were assumed to be coordinating gender equity intervention The study has the following objectives To establish the existing gender inequalities in the formal organisational structure of the selected universities To identify and assess sustainability of gender equity interventions in the selected public universities To analyse the national regional international and organisational culture and policy contexts that have influenced and supported the introduction of the identified gender equity interventions To investigate the attitudes of staff students and management towards the gender equity interventions and to recommend appropriate institutional strategies to address existing gender inequities **Discourses of Globalisation and Higher Education Reforms** Joseph Zajda, W. James Jacob, 2022-03-15 This book examines some of the major higher education reforms and policy shifts globally particularly in the light of recent shifts in quality and standards driven education and policy research It critiques the neo liberal ideological imperatives of current higher education and policy reforms and illustrates the way that changes in the relationship between the state and higher education policy affect current trends in higher education reforms Using diverse comparative education paradigms from critical theory to historical comparative research the chapters focus on globalisation ideology and higher education reforms and examine both the reasons and outcomes of higher education reforms and policy change The book analyses and evaluates the policy shifts in methodological approaches to globalisation and higher education reforms and their impact on education policy and pedagogy The book contributes in a very scholarly way to a more holistic

understanding of the nexus between globalisation comparative education research and higher education reforms
