At a Moment's Notice Barry Blackstone, 2023-02-10 At a Moment s Notice is the very first writing project the author ever attempted in 1988 After thirty five years the author took a second look at the series of devotionals and decided they needed to be made into a book At a Moment s Notice contains fifty chapters based upon the truth of the title Gleaning from the word of God the Bible the preacher in the author recognized that more often than not the main characters underlined in the Scriptures reacted immediately to certain situations and circumstances they were confronted with Take a trip through Holy Writ as we encounter the judge Shamgar as he comes face to face with a marauding band of Philistines in his field as Lydia the purple saleswoman meets Paul by a river in Philippi as Hur helps Moses at a moment s notice with the Rod of God that eventually wins an important battle as Simeon comes into Herod s Temple just at the right moment to meet the Christ child and as Naboth has to make the most difficult decision of his life that will also cost him his life Though the actions and reactions of each famous or infamous hero or heroine highlighted in the book have the same quality the lessons being taught are as varied as the stories being told Take a few moments to read the account and ponder what is being taught and then hopefully an application can be made in the reader s heart at a moment s notice
