Using personal stories and tangible next steps gained from her experience as a teacher and teacher leader, author Gretchen Bridgers can level up your teaching, filling the gap left between traditional teacher training programs and the real world. With high teacher turnover rates in the wake of the great resignation that occurred post COVID, teachers need support more than ever. Always a Lesson offers a systematic process for strengthening the skillset of any teacher. The sequence of what teachers work on is the key to move through obstacles and increase effectiveness. No matter their level of expertise, Bridgers takes the stance that all teachers are learners. By applying the principles and strategies in this book, novice to veteran teachers will see a positive impact on student learning and their proficiency as an elite educator. Additional features include one-page descriptions of each success factor, a needs assessment to gauge your instructional coaching proficiency in the 7 Success Factors, learning paths to guide your use of the resources and enable meaningful exploration of each success factor, end-of-chapter reflection questions.
