 observing a student teacher and a master teacher I realized that most student teachers while in training do not have the  
 opportunity to think creatively about their lessons I also noticed that teachers new to the field of teaching suffer the same  
 fate they are too busy trying to survive the day and are not sure how to plan and organize their teaching Lesson plans are  
 one of the most important tools for a teacher and more important for the novice teacher I believe that during student  
 teaching or during their undergraduate years if students were equipped with this book their first year teaching will not look  
 so first year Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson  
 plans improving upon them and making them their own Most first year teachers over teach or under teach and both types
