Toward a Literacy of Promise Linda A. Spears-Bunton, Rebecca Powell, 2012-08-21 This book gives us strategies for bringing life back to school; it allows us to think creatively about connecting instruction to the lives of children who have not been well served; it helps us learn to value the gifts with words our children of color bring; and it gives us hope for educating a generation that can change the status quo that will build the America we have yet to see—the one that made that as yet unfulfilled promise of liberty and justice for all. Lisa Delpit. From the Foreword. *Toward a Literacy of Promise* examines popular assumptions about literacy and challenges readers to question how it has been used historically, both to empower and to oppress. The authors offer an alternative view of literacy: a literacy of promise that charts an emancipatory agenda for literacy instructional practices in schools. Weaving together critical perspectives on pedagogy, language, literature, and popular texts, each chapter provides an in-depth discussion that illuminates how a literacy of promise can be realized in school and classrooms. Although the major focus is on African American middle and secondary students as a population that has experienced the consequences of inequality, the chapters demonstrate general and specific applications to other populations.

Church History Study Guide, Pt. 3 Randal S. Chase, 2012-05-31 *Church History Study Guide Pt. 3: Latter Day Prophets Since 1844*. This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa Winter Quarters and on to Utah. We witness the colonization of the state of Deseret while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th Century, 20th Century, and 21st Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover
