The Echo of Ice Letting Go Julie LeMay, 2017-02-15 Rooted in the harsh yet beautiful landscape of

Alaska this collection of poems is at once comforting and disquieting permeated with wisdom darkness and resilience Taken together the poems form a powerful narrative as Julie Hungiville LeMay relates a personal story of the recurrence of cancer and interweaves it with an account of her son s struggle with addiction In a world of so much pain her poems ask how can we find meaning The answer often is nature among spruce branches that whisper and the yellow joy of warblers Half found poems that contain lines from John Muir s essays are arranged throughout the book like touchstones while other poems invoke the spirit of Wordsworth LeMay s voice is precise and clear her lines musical and sonically rich making this ambitious wide ranging book one that readers won t soon forget **Adventure** ,1918
