enough but nothing about the relationship between Dani and Clarissa Hamilton is simple because long ago the house became the most important part of Clarissa's life. Now that it is being turned into a business she is not amused and finds ways to sabotage Dani's efforts to get The Maples up and running. The battle between the women is sometimes funny, sometimes painful. The wild card in the mix is Evan Murray, the landscape architect who is reworking the cottage garden. The threads of Clarissa's, Evan's, and Dani's lives become entangled as Evan and Clarissa come to terms with a past they didn't know they shared.

**Journey Proud** Agnes McDonald, 1994 McDonald takes her title *Journey Proud* from the expression her grandmother used to describe the exhilaration of travelling, the rush of preparation for the journey and the satisfied exhaustion that comes upon arrival. The author of *Quickest Door Smallest Room* McDonald teaches writing at UNC Wilmington.

***Sam McGee*** Robert P. Marsh, 2007-09 Seventeen-year-old Sam McGee only wants two things: to marry the woman of his dreams, Abigail Carlisle, and to find out what happened to his father, a Southern soldier who never returned home after the American Civil War. But Abigail's mother steadfastly opposes the proposed union between her daughter and the boy who works the cotton fields of Tennessee despite the fact that her husband has no objections. After all, Sam McGee is the son of a former good friend. As Sam seeks the truth about his father's disappearance, his quest reveals secrets and opens old wounds. But what Sam finds out about his father's past may jeopardize his relationship with Abigail and forever alter his future. Rich with historic detail, *Sam McGee* is the riveting story of a young man torn by the absence of a father whose mistakes force his son to carry a tremendous burden.
